SPECIAL OFFER For Two Weeks Only

The Enterprise has made arrangements with the manufacturers of the Hartley Safety Farm Produce Boxes, which sell the world over for \$1.00, whereby we are able to offer them in conjunction with subscriptions to this paper.

A photograph of the Box is herewith produced, and they can also be seen at the F. L. Cook stores in Farmington at the retail price listed above.

Every farmer in Oakland County can make money by having from one to a dozen of these boxes in use for shipping butter, eggs, etc., to friends or acquaintances in the city, who are invariably willing to pay in excess of the market price for produce direct from the farm and known to be strictly fresh.

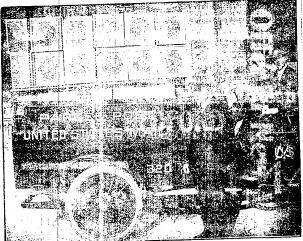

Reg. Price of Box \$1.00 Enterprise, 1 yr. 1.00 Total Value, \$2.00
