JUST THE FINISHING TOUCH

Recipe for Sauce That Might Tempt the Proverbial Anchorite to Eat.

A perfect sauce is the life of a dinner. Many cooks have failed of success because of their inability to make a sauce. Here is something that sounds good enough for anything: One onion, one parsnip, one sweet potato, one red pepper, one garlic, one celery root, one clove pepper, one carrot; remove seeds from the pepper, peel the parsnip, carrot and potato, and chop all very fine. Add three large bay leaves, one fourth teaspoonful each of cloves, cinnamon, mace and allspice. Mix all together and season with salt and pepper. Put in a saucepan and sprinkle well with brown sugar. Bake in a quick oven, and when a rich brown, remove and add one-half cup of cold water. Place on top of stove and stir and simmer for 15 minutes, or until you have a rich brown syrup. Strain the sauce and bottle; keep in a cool place for a couple of hours (or when you are ready to use it). A few drops for soups, stews, etc., will give you grand appetite!

The Right of Way

Has to be given Harvell's Condition Powders, which for over seven years has been the standard of perfection. Why? Because every ounce and particle of the ingredients do their share towards contributing to the qualities of the stock to which the powder is given. You should not fail to try this stock food and we feel sure that after a few days, you will notice a wonderful change in the stock. Get a package at the nearest drug store. Price, 25 cents.

Card of Thanks.

The undersigned extends his heartfelt thanks to all his neighbors and friends, who so kindly lent a helping hand during the illness and at the time of the death of his beloved wife.

Best Stomach Remedy Free

It is an old saying that if the stomach is sound the whole body is safe, because so much depends upon the proper working of the stomach. Many persons find themselves with a disorder of the stomach which produces dyspepsia or a peculiar state of biliousness.

If you suffer from both stomach trouble and constipation, you are on the way to a very serious disease. From such conditions come appendicitis, rheumatism, skin diseases and similar disorders. Because the waste matter that should have been expelled from the system through the bowels has found its way into the blood and vitiated it. What is needed at this point is not food, but a gentle laxative which will cleanse the system.

However, if you have stomach trouble you want to know from personal experience what Dr. Caldwell's Syrup Pepsin will do for you. If so, send your name to the doctor and a free trial bottle will be sent you. You are urged to send for the free bottle, as the results from it will be the best recommendation of Dr. Caldwell's Syrup Pepsin. Then you will do as your druggist and buy a regular bottle at 40 cents or, if according to the size you prefer, we could mention hundreds and hundreds of families who are never without it. You can never tell when some member of the family will need a laxative, and the one that should be kept on hand is Dr. Caldwell's Syrup Pepsin.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 500 Caldwell Bldg., Monticello, Ill.
