There is more Catarrh in this section of
the country than all other diseases put
together, and until the last few years
was supposed to be incurable. For a great
many years doctors pronounced it a local
disease and prescribed local treatments,
and by constantly failing to cure with local
treatment, produced general debility. Be-
cause it has proven Catarrh to be a consti-
tutional disease, and therefore requires
constitutional treatment. Hall's Catarrh
Cure, manufactured by F. J. Cheney &
Co., Toledo, Ohio, is the only Constitu-
tional cure on the market. It is taken in-
ternally in doses from 40 drops to a tea-
spoonful. It acts directly on the blood
and mucous surfaces of the system. It
costs one hundred dollars for any case it
fails to cure. Send for circular and tes-
timonials.

Catarrh That Contain Mercury
as mercury will surely destroy the sense
of smell and completely derange the
whole system when entering it through

never be used except on prescriptions
from reputable physicians, as the damage
they will do is too told to the good you
can possibly derive from them. Hall's

mercury, and is taken internally, acting
directly upon the blood and mucous sur-
face of the system. In buying Hall's

A Nervous Woman Finds Relief From Suffering

Women who suffer from extreme
nervousness, often endure much
suffering before finding any relief.
Mrs. Joseph Snyder, of Tiffin, O.,
had such an experience, regarding
which she says:

"Six months I
was bedfast with
nervous prostra-
tion. I had sink-
ing spells, a cold,
clammy feeling,
could not stand
the slightest
noise. At times
I would almost
fly to places;
stomach very
weak. My hus-
band insisted on
my taking Dr.
Miles' Nerveine, and I began to improve
before I had finished the first bottle
until I was entirely cured."

MRS. JOSEPH SNYDER,
253 Hudson St., Tiffin, Ohio.

Many remedies are recommended
for diseases of the nervous system
that fail to produce results because
they do not reach the seat of the
trouble. Dr. Miles' Nerveine has
proven its value in such cases so
many times that it is unnecessary
to make claims for it. You can
prove its merits for yourself by
getting a bottle of your druggist
who will return the price if you
receive no benefit.
