Woman Finally Recovers From Nervous Breakdown

Impoverished nerves destroy many
people before their time. Often be-
fore a sufferer realizes what the
trouble is, he is on the verge of a
complete nervous breakdown. It
is of the utmost importance to keep
your nervous system in good con-
dition, as the nerves are the source
of all bodily power. Mrs. Rosa
Bonner, 825 N. 18th St., Birming-
ham, Ala., says:

"I have been suffering with nerv-
ous prostration for nine or ten
years. Have tried many of the best
doctors in Birmingham, but they
failed to reach my case. I would
feel as if I was smothering. Finally
I went into convulsions. My little
girl saw

Dr. Miles' Nerveine

advertised in the papers and I at
once began to take it. I continued
to take it for some time and now I
am well."

If you are troubled with loss of
appetite, poor digestion, weakness,
inability to sleep, if you are in a
general run down condition and
unable to bear your part of the
daily grind of life, you need some-
thing to strengthen your nerves.
You may not realize what is the mat-
ter with you, but that is no reason
why you should delay treatment.

Dr. Miles' Nerveine
has proven its value in nervous dis-
orders for thirty years, and merits
a trial, no matter how many other
remedies have failed to help you.
Sold by all druggists. If first bottle
does not benefit your money is re-
turned.

record that a lot of big papers
could be proud of.

Sam Turner is enjoying a ten
days' vacation from his duties at
the power house and with Mrs.

The total assessed valuation of
Oakland County has been placed
on the records at \$67,125,185, an
increase over last year of \$2,378,-

township not being alone in the
matter of raises. South Lyon vil-

The Electric Railway Service
bulletin of last week contained a
photographic reproduction of Su-
perintendent J. C. Clark of the Or-
chard Lake Division of the D. U. R.,
under the heading "Who's
Who in the D. U. R." Mr. Clark
is considered one of the ablest men
in this branch of the service, and
is entitled to a deal of credit for the
excellent service maintained
through Farmington and the Or-
chard Lake Division.

One of the most enthusiastic and
interested spectators at the Blue
Ribbon Races Wednesday was E.
W. Parker, who made the trip to
Detroit in an auto accompanied by
Carl Hutton, Chas. Ely and Carl
Hogle. Mr. Parker's health has
not been of the best in late years,
but that did not deteriorate one bit
his his enjoyment of the afternoon
races which included the big M.
and M. Stake. Carl Ely, Harrison
Johnson and J. A. Price visited
him at his box during the afternoon.

Mr. and Mrs. Nelson Bryant and
Mr. and Mrs. Lewis Scott, of De-
troit, visited the latter's parents,
Mr. and Mrs. Frank Robinson here
last Friday, and while returning
in the evening met at Clarenceville
another car racing with the inter-
urban car. Not having room
enough between the two cars to
pass, their machine was crowded
too near the track and was struck
by the street car. The machine
was badly wrecked. Mr. Bryant
suffered a broken arm and Mr.
Scott's nose was cut nearly off.
The ladies were bruised quite badly.
The occupants of the racing auto
are unknown. The first night the
injured were cared for at the home
of Mr. and Mrs. Charles Leagan,
at Clarenceville and the next day
two autos arrived to convey them
to Detroit.

He Felt Encouraged.

"But she says she has never given
you any encouragement," said she
say that? She told me that her
uncle was going to leave her a for-
tune, and that he had the foot in
the grave. If that is not encourage-
ment, I'd like to know what you call
it."—Houston Post.

big sections, owing to a bonifitful
