The cottage was recently completed and furnished and is one of the most beautiful in the vicinity. The walls of the cottage are frescoed in beautiful designs and the cottage is furnished with mission and colonial furniture and

REDFORD WINS

Before a big crowd at Northville last Friday afternoon in the three day tournament the local ball team went down to defeat at the hands of Redford in an exciting 11 inning contest by the score of 8 to 7.

It was the fastest and most exread and approved:

Motion was made that a drinking fountain be purchased to be set up fountain be purchased to be set up and installed by the D. U. R. R. at the junction, motion carried. preceeding day and were defeated on Saturday by Redford, easily.

Twice during the Redford-Farm

ington game, the locals had it won.
In the ninth, Farmington had a one point lead, and with two Red-ford players out and two strikes on the batter it looked like a cinch for the locals to win 7 to 6. A bad hrow to second, which went through three men, and the runner on first scored, tieing the game.

The balance of the game painful to dwell upon, Suffice to say that Redford scored the winning run in the last of the eleventh amid the heart breaking groans of

local fans.
Hutchins for Redford pitched good ball, but at the same time was not in as good form as usual.

Johnson and Sissler both don good work for Farmington, the latter producing a marvelously speedy ball which greatly helped the locals.

However, luck wouldn't break right and we got the wo st of decisions at all stages of the game, one of which alone gave the opposing team three runs.
With the luck breaking even half

ay right, there is no question but what we would have walked off with the big end of the money.
