Finds Cure for Epilepsy After Years of Suffering

"My daughter was afflicted with epileptic fits for three years, the attacks coming every few weeks. We employed several doctors but they did her no good. About a year ago we heard of Dr. Miles' Nervine, and it certainly has proved a blessing to our little girl. She is now apparently cured and is enjoying the best of health. It is over a year since she has had a fit. We cannot speak too highly of Dr. Miles' Nervine."

MRS. FRANK ANDERSON, Comfrey, Minn.

Thousands of children in the United States who are suffering from attacks of epilepsy are a burden and sorrow to their parents, who would give anything to restore health to the sufferers.

Dr. Miles' Nervine is one of the best remedies known for this affliction. It has proven beneficial in thousands of cases and those who have used it have the greatest faith in it. It is not a "cure-all," but a reliable remedy for nervous diseases. You need not hesitate to give it a trial.

Sold by all Druggists. If the first bottle fails to benefit your money is returned.

Growing Old by Degrees.

Growing old has many stages. You can remember the time when, in reading your favorite author, you were disgusted to find that he had made his hero forty years old, and you wondered how he could be guilty of imputing romance to such an unconscionable age. By and by, even though you found forty years to be the old age of youth, you were soled by the thought that it was the youth of old age, and still later you will wonder where youth ends and old age begins.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional medicine. It is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When the tube is inflamed, it swells and shuts itself off, and you are left with a ringing, buzzing, or roaring sound, or perfect deafness, and what is it entirely cured. Don't take out and this tube restored to its normal condition. It is caused by Catarrh, which is not a local inflammation, but a general one. We will give One Hundred Dollars for any case of Catarrh of the Eustachian Tube cured by our Catarrh Cure. Send no money. Write to J. C. CATARRH CURE, 2101 Broadway, New York City.

Sunday School Picnic

The M. E. Sunday school officials, teachers and pupils, as well as the church membership are making arrangements for and planning a big basket picnic to be held at Bowman's grove, on next Wednesday, September 2nd.

We'd like to give you all of the details, and thus explain to you just what a good time you will have if you go, but the surprise will make it the more enjoyable.

Of course there will be games and amusements of all kinds, and then of course the big picnic dinner.

Plan your basket early, crowd it clear over the top, and be all ready to start early and have a big time all day.

Big Show on the Way

Fix your mouth for the taste of popcorn and red lemons. Practice crossing your eyes, so you can see two ways at once. For on Sept. 7 the Sells-Floto Circus and Buffalo Bill (himself) to appear in Detroit for a one day's engagement and—well you know the rest.

Double the size of previous years is the Sells-Floto Circus this year. A tent which will seat fourteen thousand persons, two stages, two great steel wild animal arenas, three rings and aerial devices never before used form a part of the complement of the circus. As for the attractions, they are many.

For instance, there is Zora, bravest woman in the world, and her three herds of performing elephants' Capt. Dutch Recardo, the man who trains lions with a buggy whip; more than one hundred acrobats, aerialists, contortionists and tumblers, forty clowns; beautiful, shapely equestriennes and many other features. Principal among which is Buffalo Bill himself, who will salute you from the saddle at each performance.

The parade of the Sells-Floto Circus is to come at 10:30 o'clock the morning of the show and will be led by Buffalo Bill himself.

The price this year? In spite of the fact that everything about the circus has been enlarged, one thing remains the same, the admission, which is still twenty-five cents.

New Word.

That new word "leproarium" is what might be called, without hesitation, a humdinger. The finest thing about it is that it sets the patterns for about a thousand other words we have been needing, such as whooping-cougharium, squintarium, shinglearium, ringwormarium, toothachearium, measlesarium, mumparium, feverarium, pellagarium, windcolicarium, hookwormarium, scarletfeverarium, yallerjandersarium, etc. Some words, there!

Local News

Don't forget the State Fair.

E. S. Grace, Herman Maas and J. A. Price were Detroit visitors Monday last.

E. R. Henderson of Detroit has succeeded John Alland as D. U. R. agent at Farmington.

Mr. and Mrs. E. R. Hatton of Detroit were local visitors with relatives over Sunday.

Mr. and Mrs. Ben Meyers and daughter were in Pontiac Saturday attending to business before the Probate Court.

C. W. Chamberlin has been on the sick list for the past two weeks, during a portion of which period he has been confined to his bed.

West Farmington Unity Club held their annual banquet at the home of Mr. and Mrs. F. W. Dains, Wednesday evening, about 120 being present. The club is a ladies organization, and they entertained their husbands at the banquet. A splendid program was carried out, and a good time is reported.

W. M. Halfacre, Dexter, Mo., bought Foley Kidney Pills for Mrs. Halfacre, who was down on her back with kidneys so sore he had to help her move. He says, "She would cry with pains across her kidneys, but after she took the second bottle of Foley Kidney Pills, she was as well and strong as ever."

Redford News

Last call for Come-All-Ye.

Farmington and Redford for two ball games at the Come-All-Ye.

Some unique make ups are promised for the big parade Saturday.

Henry Steffen has sold his farm near Bell Branch to a Detroit man. Mr. and Mrs. Geo. Burgess are at their summer cottage for a few weeks.

The sidewalk crew is at work this week on the walk to the school house.

The French hotel business has been sold to a Detroit is the report.

Fred Lee, the electrician, wired the new People's Bank building last week.

Miss Carol Ramsey returned this week from her vacation in North ern Michigan.

Primary election did not bring out a big crowd nor develop very much enthusiasm.

Workmen this week raised the yard tracks of the D. U. R. to conform to the new sidewalk grade.

A large attendance and a good time was reported of the Dairy-men's picnic last Friday at Bell Branch.

A big crowd is expected at the Come-All-Ye on Saturday of this week and extensive arrangements are being made to feed the hosts.

Mr. and Mrs. Technische have secured the brick house on Labser avenue, owned by Miss Seward, and formerly the home of Frank Lee. They are moving in now.

Oliver Millard made a trip out into the state last week with the intention of buying some cows but found they were as high everywhere that he went, as they are here.

If new Ford cars are going out of Detroit in all other directions at the rate that they are on Grand River avenue the question of that 300,000 production is already settled.

Golf playing is going on at the grounds of the Phoenix Club a good portion of the time, but Redforders don't seem to be falling over themselves to watch the games. It seems to be out of our class.

The question of a site for the water works pumping station has held up the work for the past week but it is hoped that the matter will be settled next Tuesday night and that the work of sinking the pipes will begin at once.

After being surfeited with the continuous procession of automobiles passing it is a welcome relief to see that beautiful strawberry blonde pacer of Mrs. Coleman's come down the avenue. He is one of the most handsome roadsters in the country.

The new office of the Redford Lumber Co. is completed and is now occupied by the firm. It gives the office force some more room, that was greatly needed, and affords a pleasant and convenient place to transact business. In addition, it adds one more improvement to the business street of the village.

As the work progresses it develops that the building of the bridge over the River Rouge is a bigger job than most of us expected it to be. It will be many weeks yet before the structure is completed. When finished, however, it will be one that will stand for ages, judging from the manner of its construction.

Arrangements have been made for two ball games, forenoon and afternoon, on Come-All-Ye day between Redford and Farmington. Those who saw the contests a year ago will doubtless be on hand again this time, for no more exciting time in Redford's base ball history ever was seen on the local field. If Farmington loads up as she did last year it certainly will be some game. Redford will go into the fray with the usual strong line-up and will do her best to maintain her reputation. Anyhow it will be a great day for the fans.
