Don't Be Bothered With Coughing

Stop it with Foley's Honey and Tar Compound. It spreads a soothing coating as it glides down the throat, and tickling, hoarseness, and nervous hacking, are quickly healed. Children love it — tastes good and no opiates. A man in Texas walked 15 miles to a drug store to get a bottle. Best you can buy for croup and bronchial coughs. Try it. T. H. McGee.
