"Detroit river is polluted to a deplorable extent," said ex-Congressman James A. Tawney, of Winona, Minn., upon arrival to attend a meeting of the international joint commission to investigate the pollution of border streams between the United States and Canada.  
"This pollution," he said, "involves the health of 7,000,000 people living on the boundary waters. We are now engaged in investigating and obtaining some remedy. CERTAIN RESULTS

Many a Grateful Reader Knows How Sure They Are.

Nothing uncertain about the work of Doan's Kidney Pills. There is plenty of positive proof of this in the testimony of citizens of this vicinity. Such evidence should convince the most skeptical doubter. Read the following statements:  
Mrs. J. King, High St., Pontiac, Mich. says: "For years my back ached and I didn't know what was the matter. I got so bad that I could hardly walk. I got dizzy so that I had to lean my head of something to keep from falling. The kidney secretions contained sediment and I knew that all these troubles were caused by disordered kidneys. Doan's Kidney Pills helped me at once. Of course, as I am well along in years and the case was one of long standing, I don't expect them to cure me, but the relief I got is a great blessing."  
Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. King had. Foster-Milburn Co., Props., Buffalo, N. Y. Adv.
