

Prisoners washing up in the German military camp at Alten Grabow; French and German prisoners playing cards.

These pictures have just reached this country from the German military prison camp at Alten Grabow, in Berlin. There were in the prison when these photos were taken 3,500 French soldiers and 1,500 Belgian-American war correspondents report that these prisoners are being well treated.

## U. S. PROTESTS TO TURKEY

Secretary Bryan has notified the Turkish government that the United States cannot agree to the action of Turkey in taking away from American citizens in that country the "extra-territorial rights" which they have enjoyed. (See last week's issue, 26.)

Great Britain, France, Russia and Italy have sent similar notices to the Sultan's government.

Secretary Bryan takes the ground that as the rights of Americans are guaranteed by treaty, they cannot be set aside by Turkey alone.

President Wilson was displeased by the stories published in some newspapers, to the effect that American battleships were needed in Turkey. He issued a denial.

## WORLD WAR PRE-DICTED MANY YEARS

Evangelist Says Bible is Foundation on Which Prediction Was Based

### "BATTLE OF ARMAGEDDON"

Seven-Day Adventists Have Believed That While It Was in Progress That Christ Will Return—Say That Christ Himself is Giving Immediate Signs of His Return.

WASHINGTON, D. C.—For many years evangelists and ministers of the Seventh-day Adventist denomination have been united in their prediction that a universal war would take place in Europe. They declare for 60 years the nations have been concerned over what is known as the "eastern question," which in a word is that Russia desires the control of European Turkey. The Adventists believe that students of Bible prophecy have been looking for the present crisis, and are of the belief that while Turkey is not now directly involved in the great struggle, she eventually will be, and when driven out of Europe will set up her kingdom in Jerusalem, where the Bible predicted the battle of Armageddon will be fought and then Christ will make His second return.

The Adventists believe this battle in which all the nations of the world will be involved will be fought in this generation, and that while it is in progress Christ will return. An interesting account of this great battle, in which the colossal war situation in Europe was referred to quite prominently, was given in a statement by Evangelist Charles F. Welch. He said: "As a minister of the gospel in my public services I have for years predicted a general war among the na-

tions. You ask, how did I know there was a universal war imminent. I base my prediction upon God's prophetic word which declares the battle of Armageddon, involving all the nations of the world, was to be fought just before Christ's second coming. Christ himself, in giving the immediate signs of His return whereby the world was to know that that glorious and intensely significant event was 'even at the door,' said: 'There shall be signs in the heavens above, and in the earth beneath, and the earth's dwellers, of nations with perplexity, and men's hearts failing them for fear and for looking after those things which are coming on the earth; and after these things, continued Christ, shall they see the Son of Man coming in a cloud with power and great glory.' Luke 21:27-27.

The Bible says, in the last days men will cry peace, peace, but there shall be no peace. Armed peace that is purchased yearly at the price of billions, and maintained by the power of dynamite and through rival aggression in gigantic war preparations, is false peace and cannot last long. The affairs of the world are reaching an unavoidable crisis. They are reaping the fruitage of their own sowing. For years the nations have been whetting their swords, and arming to the limit, thereby creating a condition of unrest and uncertainty and banishing the future possibility of peace.

### "HIRAM" WAS A WOMAN.

Strange Piece of News Is This From Orlando, Fla.

TAMPA, Fla.—Hiram Calder, Jr., is dead at Orlando, Fla., of pellagra. Calder, who lived here in Orlando for ten years, was known as a man, but recently, when "he" was taken to a hospital, it was discovered that "he" really was a woman. Calder came to this city from Norfolk, Va., with a woman supposed to be "his" wife. She died at Tampa two years ago. Calder had been working since then at Orlando in a bakery. For the entire decade Calder asserted the rights of franchise at elections, voting at every opportunity. "He" and "his" supposed "wife" were people of refinement.

## DETROIT THEATRES

### AT THE GAYETY

By all means take in the Gayety, on Cadillac Square, when in town. Ed Lee Wrothe has brought out show that fairly beats the usual run to a standstill. Clever comedians, a bevy of beautiful women in gorgeous costumes, lots of life and plenty of laughs are all served up in a most elaborate fashion. Jane Le Beau is captivatingly charming. Owen Martin, August Lang, Alvin, Irving Leonard and others of the big cast are all of the best burlesque type and create a good impression. The music and scenic settings afford a treat and those who visit the Gayety this week are surely getting a run for their money.

It is pleasing to note that the efforts of Mr. Rhodes, the manager, a note of it and be on hand.

for ladies' matinees are proving so popular, as the ladies are coming in ever increasing numbers to the matinees, which are only 10c each day in the week. The show starting Sunday matinee, October 11th, will bring to the Gayety that big wheel favorite attraction, the Gayety Girls, a show that will pack the Gayety to the doors, for it is said to contain more of an exhibition of handsome women than most any show on the road today—and the fun is fast and furious of the comic burlesque type, as exemplified in New York and Chicago today. Gus Fay, a real comedian, is heavily featured with the Gayety Girls, and will be supported by a sterling list of players.

### AT THE FOLLY

Louis Girard has kept his promise in giving Polly Patrons a big girls show this week, in the Garden of Girls. There are real singers, some classy dancers and spicy fun that makes good from the rising of the curtain to the last minute.

Ida Nicolai is well worthy the applause she receives, and is surely a fine burlesque attraction in herself. Andy Gardner makes a big hit and has a lot of new done that goes with a whirl. The Three Shaws also get by with clever stuff. The chorus is better than usual.

Those who desire a good live show of the true burlesque character, full of ginger and out of the ordinary should come to the Folly, Detroit, this week.

On October 11th Manager James states a big show will be on hand, entitled the French Models, an original and girly show which is built for amusement purposes only. The French Chorus is said to give some daring dancing, and the music is a big attraction with the show. Among those who will add to the good times are Hughey Bernard, Walter Verne, Geo. Ward, Amy Allen, Flossie McCloud, Alpha Girls and other burlesque favorites. A dancing sensation is promised the "boys" will be anxious to witness.

### AT THE CADILLAC

Oh you Tango Girls. Say, boys, just drift into the Cadillac this week and see a show that is going at a mile a minute clip. Charley Taylor is surely handing out a good line of amusement for the patrons and the work of Geo. Milton, the "big little man," is a scream. Gladys Sears, Miss Arnold, Bertha Rich, Sam Backen, Lee Allen and the other merry makers are hustling every minute—the songs are good and plentiful. The stage effects good and there is a real chorus such as make the front row contingent sit up and take notice. Burlesque is a treat when doped out like the Tango Girls spread it on.

Manager Levy has recently returned from New York and states he has a big sensational surprise for the week, starting matinee week of October 11th—inside information is such that it can safely be said it won't pay to miss the big things during the coming week for it will be a surprise, such as comes but once in a season and visitors should make a note of it and be on hand.
