Foley's Honey and Tar Compound for Croup

Croup scares you. The loud hoarse croupy cough, choking and gasping for breath, labored breathing, call for immediate relief. The very first doses of Foley's Honey and Tar Compound will master the croup. It cuts the thick mucus, clears away the phlegm and opens up and eases the air passages. T. H. McGee, Druggist.

Perfectly Safe to Order. Crawford (in fashionable restaurant)—"Don't order anything for me. I'm not hungry." Crabshaw—"But you will be by the time the waiter brings it."

Was Thin and All Run Down

Now Since Using Health-Tone I AM PLUMP HEALTHY AND HAPPY

There is a reason why you are thin. Let "Health Tone" overcome this reason. Let it tell you why your food does not fasten you up. "Health Tone" is a Nervous Tonic and Blood Purifier. It will be called the medical marvel of the age. So positive are we that "Health Tone" will fasten you up, fill out the hollows of face and body, not good solid "meat" from your bones and the vigor and glow of health in your entire form, that we agree to send you our check for five dollars should "Health Tone" fail to produce the results desired. Write today, enclosing sixty cents to get this wonderful "Health Tone" remedy and prove to your own satisfaction that it is so necessary to remain in the "skin and bone" class, an object of pity and scorn to all. If it doesn't, we will pay you the five dollar forfeit. We simply ask you to test the treatment if you stand in need of it. Cut out this notice now, mail it to the "Health Tone" Co., Box 24, Birmingham, N. Y., with 2-cent stamps to help pay postage and distribution expenses and you will receive a smaller 10-cent trial treatment of "Health Tone" and an immediate improvement. Send your check for five dollars should a full "Health Tone" treatment fail to fasten you up. You are to be the judge. If this 10-cent treatment sends you up for it, if it does you, we are the losers. Do not fail however to send for it, now, at once, if you are below normal in weight and health.

THE PATRIOTIC DOLLAR

CONGRESS DECREES DOLLARS INDULGING IN LUXURIES MUST FIRST SALUTE THE FLAG.

War Revenue Tax of \$105,000,000 Levied—Beer Bears Brunt of Burden.

Congress has levied a war tax of \$105,000,000 to offset a similar amount of loss on import revenue due to the European disturbances and of this amount beer is the heaviest contributor, having been assessed approximately \$50,000,000; a stamp tax on negotiable instruments, it is estimated, will yield \$10,000,000; a tax on the capital stock of banks of \$4,800,000 and a tax on tobacco, perfumes, theater tickets, etc., makes the remainder. Congress has decreed that the brewer, the banker and the investor must shoulder the musket and march to the front; that midday who would add to her beauty must first tip Uncle Sam, and a dollar that seeks pleasure must first salute the flag; that Pleasure and Profit—the twin heroes of many wars—shall fight the nation's battles and by an ingeniously arranged schedule of taxation congress has shifted the war budget from the shoulders of Necessity to those of Choice and Gain, touching in its various ramifications almost every line of business.

All in the dollar that bleeds for its country; that bares its breast to the fortunes of war and risks its life to preserve the stability and integrity of the nation's credit.

The market place has always been a favorite stand for war revenue collectors. The trader is a great financial patriot. His dollar is the first to rally around the star-spangled banner and the last to hear the gun of the dove of peace. He is called upon to buy cannon; to feed and clothe the boys in blue and each month cheer their hearts with the coin of the realm. Men can neither be free nor brave without food and ammunition, and money is as important a factor in war as blood. Many monuments have been erected in honor of heroes slain in battle, popular have been written eulogizing their noble deeds and the nation honors its soldiers while they live and places a monument upon their graves when they die, but very little has been said of the dollar that bears the burdens of war.

Honor to the Dollar that Bears the Burdens of War.

All honor to the dollar that answers the call to arms and, when the battle is over, bandages the wounds of stricken soldiers, lays a wreath upon the graves of fallen heroes and cares for the widows and orphans.

All honor to the industries that bend their backs under the burdens of war; lift the weight from the shoulders of the poor and build a bulwark around the nation's credit.

All honor to those who contribute to the necessities and administer to the comforts of the boys who are marching; cool the fever of afflicted soldiers and kneel with the cross Bed-side dying heroes.

A dollar may fight its competitor in business; industries may struggle for supremacy in trade and occupations may vie each other with envy or suspicion, but when the bugle calls they bury strife and rally around the flag, companions and friends, mess mates and church all fighting for one flag, one cause and one country.

The luxuries in life have always been the great burden-bearers in government. We will mention a few of them giving the annual contributions to the nation's treasury: Liquor, \$250,000,000; tobacco, \$105,000,000; sugar, \$54,000,000; silk, \$18,500,000; diamonds, \$3,827,000; millinery, \$3,479,000; fur, \$2,024,000; automobiles, \$870,000. We collect \$665,000,000 of internal and custom revenue annually and \$450,000,000 of this amount classifies as luxuries, and to this amount we should add the \$109,000,000 war tax now levied.

The war tax is immediately effective. Tramp! Tramp! Tramp! The industries are marching \$109,000,000 strong and beneath the starry flag they will fill the treasury again while they shout, "Hurrah for Uncle Sam!"

In every field of human activity the demand for more competent men and women is growing every day. Especially so in agriculture.

Home pride is a mighty valuable asset, and the farmer who has none is carrying a heavy handicap on the road to success.

Work is the salve that heals the wounded heart.

Our Daughters.

"I say, dad, I've just accepted Charles Brown—he's in the drawing room—and if you're a minute you might pop in and see him and talk it over; but please be quick, we've got to rush out and see about the janna."—London Opinion.

Path of Learning.

No man can learn patience except by going out into the hurly-burly world and taking life as he finds it.—Beecher.

How Much Service Can You Get From Your Typewriter?

It's what a machine *does*, not what it *costs*, that is most important.

All typewriters do *not* have the same efficiency and the same operator does *not* get the same result on every writing machine.

The L. C. SMITH & BROS. Typewriter

will produce ten to twenty per cent. more work than any other typewriter ever made.

How is this possible? Here are a few reasons:

1. It is ball-bearing throughout—others are not.
2. All operations are controlled from the keyboard.
3. It is the lightest touch machine made.
4. It does not "smell" the carbon.
5. The ribbon reverses automatically.
6. The type is so protected that it is not battered by collision.
7. One motion of the hand returns the carriage and operates the line space.
8. It has an inbuilt biller and tabulator.
9. No trouble to write on paper as small as a postage stamp.
10. It is built for service.

Send for illustrated catalog.
