FARMINGTON, MICHIGAN, FRIDAY, MARCH 19, 1915

\$1.00 A YEAR

FARMINGTON TO HAVE A BAND

Subscription Paper Receiving Many Signatures and Neat Sum Already Raised.

It is now practically an assured fact that Farmington will have a band and that within the very near future, a movement having been started toward organization and support the first of the week.

A subscription paper has been passed among the business men of the town by Frank Walters, one of the members of the Village Council, and within a few hours better than one hundred dollars had been subscribed toward financing such an organization.

More money will be needed, but Frank tells us that he will have no trouble in doubling the amount already raised. The money subscribed will be used at once in purchasing instruments and music, which are to be ordered as soon as the necessary money is available.

It is planned to hold weekly concerts in the village, and from the start the organization is going to be a popular one. If you haven't already put your name on the subscription paper, you should do so at once.

Alfred Legg of Pontiac was a business caller here Friday of last week.

Special Milk Car May 1st.

Extensive preparations are being made at the Fred M. Warner Cheese Company plant, which is one of the largest shippers of milk into the city of Detroit, to comply with the new ordinance of that city calling for the pasteurization of all milk entering the city after May 1st.

Several thousand dollars worth of additional equipment is being installed, in order to comply with the law which says that milk must reach the city at a given temperature.

The milk will be pasteurized and bottled immediately on receipt at the plant, and will then be placed in a special refrigerator car, which is being built for the company, and which will be operated daily between Farmington and the Wayne county metropolis. It will probably be the only milk coming into Detroit in a refrigerator car. The car will reach Detroit at the hour when city deliveries are usually commenced, and will be in charge of a special crew and operated on special schedule.

The new holding system of pasteurization will be used, and the car will make deliveries in four different parts of the city.

Through the Warner company, farmers and dairymen of this section are given special advantages as regards delivery of class A milk.

Palmer Sherman is on the sick list.

PICTURE HOUSE OPENS MARCH 31

High Grade 5 Reel Feature for Opening Night—A Mighty Neat Theatre.

What Manger Thompson has not done to the building on the main street here, which he is remodeling into a moving picture house, isn't worth mentioning. The building, practically unused for years, has been made over into as clever a theatre as will be found in any little village in the state.

Of course the work is not yet completed, and it will be several days yet before the work is done. When completed, however, the house will present a mighty attractive appearance, seating about 160 persons, opera chairs, sloped floor, fire proof operating room equipped with a standard Motionograph picture machine, and will be at in every respect.

Mr. Thompson has planned to open the house on Wednesday evening, March 31st, with a five reel feature picture, "The Lion and the Mouse". For the opening night the admission price will be 25c. The house will also be operated on Thursday, Friday and Saturday, April 1, 2, and 3.

The regular schedule for the house, however, as at present planned, will be Wednesday and Saturday nights of each week, and the admission price of 10c will be charged.

We sincerely hope the venture is going to prove a paying one, and have every reason to believe that it will.

Methodist Church

"A Groaning World" is the subject at the morning service at 10:30 A. M. Rev. W. H. McClen-then, pastor of Central Church, Pontiac, will preach Sunday evening. Sunday school meets at 11:30 A. M. Wanted—31. He one.

E. R. Stevenson, Pastor.

Mrs. Olive Sprague was a guest of Mrs. E. Tremper of Northville Thursday of last week.

Ladies Literary Club

The annual meeting of the Ladies Literary Club was held at the home of Mrs. Zayda Wilber on Wednesday afternoon, March 17. Sixteen ladies responded to roll call by paying their dues. The general business of the annual meeting was followed by the election of officers, which resulted as follows:

President, Mrs. Bertha Steele; Vice President, Mrs. Margaret Truscott; Secretary, Mrs. Mary Johnson; Treasurer, Mrs. Nellie Dickerson; Librarian, Mrs. Ida Hambleton.

After a very enjoyable social hour the club adjourned to meet with Mrs. Mary Johnson Mar. 31st.

Be Sure and Register

As the annual township election draws near, more interest is being manifested, and the prospect seems to favor a big vote being polled on April 5th.

With several important county offices to be voted upon, the township officers to be elected, and the wet and dry issue, a big vote can naturally be expected.

Saturday March 27th is Registration Day, and every man who is a voter in this township should make it a point to go to the registration place on that day and ascertain for certain whether his name is registered.

Too many votes are lost each year, owing to, non registration, and it is your duty as a citizen to make sure that one of these lost ballots does not belong to you.

Largest Dance Crowd

The Third Informal Dancing Party given by the Harmony Club drew what is conceded to be the largest crowd of the season last Friday evening, when in excess of one hundred couples passed through the doors of I. O. O. F. Hall, where the affair was held.

Music was up to the usual standard and the floor was packed with dancers from eight o'clock until nearly seven hours later.

Luncheon was served at midnight.

Basket Ball

The local high school basket ball team met its first defeat last Friday night when it played Pontiac Reserves in the high school gym at Pontiac.

Pontiac's gym is about six times as large as our gym, and the boys were at first, lost. They seemed to be stage stricken, as none of them were able to get a field basket, although each had several chances. Pontiac was fouled 24 times and Travis was able to get 12 of these, this constituting all the points made by our boys, who had 14 fouls called against them. The teams seemed well matched in passing.

The final score was Pontiac 24, Farmington 12. Referee, Rogers of D. U. S.

Death of Mrs. Sarah Mayhew

Mrs. Sarah Mayhew, 68 years of age, died at the home of her sister, Mrs. William Van Alstyne, at 6:16 o'clock last Friday evening, the cause of death being apoplexy.

The funeral services were conducted at the Van Alstyne home Monday morning at 9 o'clock by Rev. D. M. Ward, after which the remains were taken to Williams- ton, her former home, for burial. Three sons, one from Pontiac and two from Williamston, with their families, and a nephew and his wife from Detroit, accompanied the remains to the home of the eldest son at Williamston, where funeral services were held Tuesday afternoon.

My Dear Sir:--

Keep your Cash Account with the

Farmington Exchange Bank

(A STATE BANK)

Pay Your Bills by Check

Which makes the best kind of a receipt, and avoid the worry and danger attending the carrying of large sums of money.

Respectfully,

C. W. WILBER, Cashier.
