Ned Glafford, who has been unjustly accused of treason when at Weet Point, and gone to Japan, has been on opins slave. While in gone and the same and the same as the same as a same as a same as the same as the

Nihilist.
Later Gafford saves Shiela McRae, launther of the American Secretary of of State, from abduction by Oshitua, the Japanese of whose crime tiafford was accused.

CHAPTER IV. The Awakening.

The Awakening.

A hush fell over the room of the geishas as he limned through, and the welcome accorded him by White Kate was scarcely what might have been expected by a conquering hero returned from sastily keep out of the came into her room.

Gafford sat down on the brocaded couch and nodded slowly. "So Yamata heat me to it, with you, did he?" he remarked his ti with him. "Then you dim has the continued." "And the continued of the say?" Cafford sat down he say?" Cafford grinned.

"Then you did mix it with him, it did you, Gaffy." Kate continued.
"What does he say?" Gafford of grinned.
"That you picked a quarrel with him, runhandiss him, and took away and and the mid being a ground perecent of the say of the

Its Promiscuous Playing Punishable

By Arrest.

In Mexico the national anthem is held in such high esteem that permission must be secured from the authorities to play it of places not included in the list provided by law. It was played recently in a Jurch at Tierra Bianco in one of Archishop Gillow, wir mit having been secured the church dignitary was arrested, imparend and fined for the offense and fine was also imposed on every member of the orhestra which had been secured to play the authem. The law for keeping sacred the national anthem was passed to prevent its used at build his and theaters.—New York Tribune.

Rebellions in China.

A rebellion in China, as a rule is a comparatively harmless affair. The people inform the Governor that we construct the control of th
