

## CALUMET BAKING POWDER

The cook is happy, the other members of the family are happy—appetites sharpen, things brighten up generally. And Calumet Baking Powder is responsible for it all.

For Calumet never fails. Its wonderful leavening qualities insure perfectly shortened, faultlessly raised bakings.

Cannot be compared with other baking powders, which promise without performing.

Even a beginner in cooking gets delightful results with this never-failing Calumet Baking Powder. Your grocer knows. Ask him.

You don't save money when you buy cheap as you can baking powder. Don't be misled. Buy Calumet. It's more economical—more wholesome—gives best results. Calumet is far superior to any other mix and soda.

Chas. Schuett of Detroit has gone to make his home with Mr. and Mrs. Mark T. Crawford. The Dauies brothers are now driving a new 1915 Ford Touring Car, delivered by the Park Garage.
