Give a Fair Discussion of  
The Liquor Question in

## Farmington Town Hall

### Saturday Evening, April 3rd, 8 o'clock

You will enjoy his address on the Wet and Dry question as it affects Oakland County. REMEMBER, the following MONDAY, APRIL 5th we vote as to whether we desire to continue the saloons in this county. If you wish to abolish the saloon VOTE YES. If you think the saloon is for your good and for your boys or your neighbor's boy, and should continue, you will vote No.

Where will you gain by the continuance of the saloon? It costs the taxpayer at least \$3.00 for the harm and crime committed for every dollar the saloon pays to the public treasury.

Be sure to hear Clinton McGee  
Saturday Night. GOOD MUSIC

Mrs. Seeley of Oxford was a guest of Rev. and Mrs. John B. Whitford, Friday.

Miss Norma Erdman of Detroit is spending a few days this week with Miss Sarle Pickett.

Miss Evelyn Price spent Tuesday with her friend, Miss Norma McIndoo, near Clarencerville.

W. C. Dillon, of Detroit, was out looking after local business matters the first of the week.

Louis Magnee has rented his farm near Redford, and will again become an employee of the D. U. R.

The village council is seriously considering the advisability of sinking another well at the water works plant for emergency use.

Carl Ely went to Detroit Tuesday morning. Oh yes, he arranged for a few dozen or hundred more Fords, and there about all sold.

Prof. and Mrs. Ralph Auten are at Ortonville spending the Easter vacation with Mrs. Auten's parents, Mr. and Mrs. Oscar Brandt.

Charles Goers and family have moved back to their farm and rented their home in the village to Mr. and Mrs. Edward Brown.

Fred Lee, Michigan Edison representative for this locality, has been appointed to fill the vacancy on the village council at Redford.

George Cook, conductor for the D. U. R., has obtained a 10-day leave, or absence, which vacation is being spent at his home in Manistee county.

Miss Eva Pepson of Livonia Center, spent Friday night with Miss Tessa Pierson and attended the dancing party given by the Eastern Star in the I. O. O. F. hall.

School children are enjoying every minute of their spring vacation this week despite the fact that the weather conditions have not been exactly of the true-to-nature spring variety.

D. U. R. men locally, are boosting the candidacy of one of their number for the election next Monday. A. B. Coleman, one of their number, is out for the office of constable on the democratic ticket.

The new telephone order, making a charge for calls to nearby towns, has created but little comment, further than the expressed hope that the service be improved. And there is certainly room for improvement.

Fred Darfee and son were Farmington visitors. Mr. Darfee being here arranging for the printing of the township ballots, and also the annual report of township receipts and expenditures, copy of which will be furnished to every taxpayer in that township.

The oiling of the streets here last summer proved of such unlimited benefit, that it will be repeated again this year, according to President George Francis. If there is anyone who had any objection or regret over the oiling last year we have yet to learn their identity.

Election returns will be received at the Owen hotel next Monday evening. In former years, local option returns complete have been available at about 9 o'clock, and the fate of Oakland county from the wet and dry standpoint should be obtainable here long before midnight at the latest.

#### NOV! VOTES ON TOWN HALL.

Taxpayers of the township of Novi are to be given an opportunity to express their wishes as regards the building of a town hall at the election next Monday, when the matter will be voted upon.

One proposition provides for a hall, two story, 24x55, at an approximate cost of \$2,700. The other for a hall one story, 22x45 at an approximate cost of \$1,600.

The building is badly needed to replace the hall destroyed by fire some time ago.
