The many friends of the family will hope for a continued and speedy improvement. His serious condition is said to be caused from an accident some time ago.

Any Room Can  
Be Made  
Attractive  
With  
**WALL-TONE**

No doubt you think the room shown in the above cut is very attractive. But it is no more attractive than any of your rooms can be made if you paint the walls with one of the beautiful soft shades of Wall-Tone. You can then keep your walls clean and sanitary by washing them with soap and water. The simple but artistic wall coloring will bring out the best features of everything else in the room.

Let us talk to you about the many possibilities of Wall-Tone.
