His Rest Was Broken

O. D. Wright, Rosemont, Neb., writes: "I was bothered with pains in the region of my kidneys. My rest was broken by frequent action of my kidneys. I was advised by my doctor to try Foley Kidney Pills and one 50 cent bottle made a well man of me." They relieve rheumatism and backache.

Master James Hogle, grandson of Supervisor and Mrs. J. L. Hogle entertained a number of his juvenile friends at their home last Thursday afternoon. The time was spent in youthful games and merrymaking, followed by a picnic dinner, and a special treat of ice cream cones.

Ford Runabout - \$390.00
Ford Touring Car - 440.00
Ford Town Car - 640.00

There can be no assurance given against an advance in these prices at any time. We guarantee, however, that there will be no reduction in these prices prior to August 1, 1916.

Profit Sharing with Retail Buyers

On August 1, 1915, we made the announcement that if we could make and sell at retail 300,000 Ford cars between August 1, 1914 and August 1, 1915 we would share profits with the retail purchaser, to the extent of from \$40 to \$60 on each car. We have sold over 300,000 Ford cars in the time specified, and profit-sharing checks of \$50 each will be distributed as rapidly as possible after August 15, 1915. Retail purchasers who have not yet mailed us their profit-sharing coupons, properly endorsed, should do so without delay.

Our plan to profit-share with retail purchasers of Ford cars during 1914-15 has been most successful. We thoroughly believe in it, but, realizing the uncertainty of conditions generally makes it advisable to defer any announcement of future profit-sharing until a later date.

We are however, confident of our inability to reduce costs for several months, and therefore can offer no profit-sharing for cars delivered during August, September and October, 1915.

Odd and Otherwise

a good time.

Base ball fans, still living in
high hope of seeing the 1915 American
League pennant adorning the
flagpole at Navin Field, are, on
the other hand to have little chance
of seeing the sport of winning it,
as only four more games now remain
to be played in Detroit this
season, two next Monday (Labor
Day) with St. Louis, and two
more Saturday and Sunday, the
2nd and 3rd of October, which
dates mark the final closing of the
present season.

Schools May Bar Children

Common colds are contagious
and boards of health in many cities
are considering barring children
with colds from school. Foley's
Honey and Tar is an old and
reliable family medicine and frees
children from coughs, colds, croup
and whooping cough. Parents may
save trouble by giving before school
opens.

Have Your Own Newspaper

A woman who was too economical
to subscribe for her home paper
sent her little son to borrow the
copy taken by her neighbor. In
this haste the boy ran over a four
dollar stand of bees, and in ten
minutes looked like a warty Sum-
mer squash. His cries reached his
father, who ran to his assistance,
and, failing to notice a barbed
wire fence, ran into it, breaking it
down, cutting a handful of flesh
from his anatomy and ruining a
five dollar pair of pants. The old
cow took advantage of the gap in
the fence and got into the cornfield
and killed herself eating corn. Hearing
the racket the mother ran up
set a four gallon churn of rich
cream into a basket of kittens,
drowning the whole litter. In her
hurry she dropped and broke, past
all hope of mending, a twenty five
dollar set of false teeth. The baby
left alone, crawled through the
spilled cream and into the parlor,
ruining a twenty dollar carpet.
During the excitement the eldest
daughter ran away with the hired
man, the dog broke up eleven
setting heus, and the calves got
out and chewed the tails off four
fine shirts.

And all to save a dollar.

EXPECT TO BREAK RECORDS

"Wild Bill" Endicott Among the Speed
Demons Who Will Make Auto Races
One of Big Features of Exposition at
Detroit.

Dirt track automobile racing is be-
coming less dangerous and more popular
every year, according to G. W.
Dickinson, general manager of the
Michigan State Fair, who announces
that plans are being rapidly completed
for the speed contests which will be
held during the 1915 exposition at De-
troit, Sept. 8 to 15.

Noted Drivers to Compete.

Noted drivers from all parts of the
country will enter the races and the
events in which attempts will be made
to shatter dirt track records. The
International Motor Contest Association
and the Michigan State Fair will be
the chief attractions.

"Wild Bill" Endicott is among
the drivers of space eating vehicles
who will be at Detroit this fall.
The State Fair races will be governed
by the rules of the International
Motor Contest Association, of which
Mr. Dickinson is president. State Fair
races in practically all the middle west
states will be held under the au-
thority of the I. M. C. A.

Accidents Less Frequent.

Mr. Dickinson says that automobile
racing had its beginning on the dirt
tracks and he believes that the sport
will continue to be more popular
ever since that accidents are becoming
less frequent, rules having been adopted
which have had the effect of making
the contests much less dangerous.
A physician will examine every driver
to determine whether the autostar
are in the best physical condition, and
the cars will be examined by mechan-
ical experts.

Great Interest in Horse Show.

The horse show, one of the society
events of the State Fair will attract
the attention of thousands this fall. An
exceptional interest is being taken in
the show by owners of saddle and har-
ness horses from all sections of the state.

Roller Coaster a Feature.

One of the attractions at the State
Fair grounds will delight the chil-
dren, the giant roller coaster, which is
absolutely safe. In fact, "Safety
First" is the slogan at the State Fair
grounds at Detroit.

SAN-JAK for the stomach, nerves and blood is the best the world ever saw. SAN-JAK prevents the excessive flow of poison fluid into the blood from the super renal glands near the kidneys, causing the arteries to harden in years past 50. This preventive keeps the arteries soft and flexible, giving flexibility to the muscles as in youth.

You can feel well and active at any age from 60 to 90 years. Man should die of old age, not from disease or diseased tissue. Mothers and daughters can avoid many dangerous operations by the use of this wonderful medicine. \$1.00 per bottle. Get SAN-JAK of
