WHY "OPERATION Get Acquainted?" The program provides an opportunity for people to do something about their concern for better relationships between people.

Misunderstanding and distrust between people of the white and black races and between the well-to-do and the poor in our country has reach-committee appointed by the President to study the riots in 1967 suggested several ways to increase communication between races.

"Operation Get Acquainted" is an answer to one of the sug-gestions. The program is or-ganized on the assumption that, though it is easy to discrimi-nate against a race, it is much
