Letters and other mail frequently miscarry, or are held for postage, and for that reason farmers, as well as business men, should have their name, address and rural route printed on their envelopes. If this is done and the letter fails to reach its destination or is unclaimed, it will be returned to the sender instead of being consigned to the dead letter office.

The Enterprise is printing high-grade envelopes at about as low a price as they can be bought at retail, unprinted, and we have many styles to choose from. Let us get you out 100 (the high grade kind) for 50c, or 100 envelopes and 100 neatly printed letter heads, put up in pads of 50, for \$1.00.

Cures Dyspepsia; Trial Is Free

It is a popular mistake that only wealthy people who eat rich and highly-spiced foods suffer from dyspepsia, or, as it is also known, indigestion. The laborer in the street, the worker in the field also finds himself a victim of this disorder. Among the very greatest sufferers from it are women.

Dyspepsia is indicated by a constant feeling of lassitude, by loss of appetite and troubled sleep, by sour stomach and distress after eating, by bad complexion and indigestive eyes.

There is no surer and speedier cure for the trouble than Dr. Caldwell's Syrup Pepsin, which dyspepsia have been cured successfully for twenty years. This great, health-giving compound cures Cati, Cat, of Buffalo, N. Y., of dyspepsia and sour stomach that he had had for forty years, or until the lucky day that he heard of Dr. Caldwell's Syrup Pepsin.
