Are they going to farming? No, indeed! But they now own the best farm on the road out Franklin way. Who does? Dr. P. D. Hilly and Dr. Fred G. Crawford. They have just bought Frank W. German's fine farm of 80 acres and paid for it the neat sum of \$22,000.

Can it be possible that these young men can make money on this deal? You watch them. Some people are so pessimistic, that they now aver that the top price is reached on land in this vicinity. Believe us. It has not yet started up.

There is more money to be made right now, by those buying now, than the folks make who bought the property 20 years ago. See if we are not correct. This applies to every bit of real estate inside of five miles from Birmingham. All caused by the trolley road and the new concrete highway.—Birmingham Eccentric.

Finds Cure for Epilepsy After Years of Suffering

"My daughter afflicted with epileptic fits for three years, the attacks coming every few weeks. We employed several doctors but they did her no good. About a year ago we heard of Dr. Miles' Nervine, and it certainly has proved a blessing to our little girl. She is now apparently cured and is enjoying the best of health. It is over a year now she has had a fit. We cannot describe too highly

Dr. Miles' Nervine.

Thousands of children in the United States who are suffering from attacks of epilepsy are a burden and sorrow to their parents, who would give anything to restore health to the sufferers.

Dr. Miles' Nervine is one of the best remedies known for this affliction. It has proven beneficial in thousands of cases and those who have used it have the greatest faith in it. It is not a "cure-all," but a reliable remedy for nervous diseases. You need not hesitate to give it a trial.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, hearing is lost, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; and cure out of ten cases caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness cured by our method. Do not be deceived. Read for directions. Write to J. J. CHERRY, 2102, Toledo, Ohio. Sold by Druggists. This Mail's Family Pills for constipation.
