The nation's harvests this year have surpassed any ever before reached. The value of the principal farm "rops" based on prices paid to farmers becember 1, as announced by the department of agriculture in its final estimate \$5,586/773,000, msking 1915 a banner year both in value and in production of crops.

If owners of horses were a particular about blanketing them in cold weather as are the owners of automobiles in keeping their engines warm there would be no need of a humane society. It is marvelous to think that people are definitions about the welfare more solicitious about the welfare health and the second grade certifications. You've hit the right tobacco

when you fire-up some Prince Albert in your old jimmy pipe or in a makin's cigarette. And you know it! Can't get in wrong with P. A. for it is made right; made to spread-smoke-sunshine among men who have suffered with scorched tongues and parelled throats! The patented process fixes that-and. cuts out bite and parch. All day long you'll sing how glad you are you're pals with

You take this testimony straight from the shoulder, men. You can smoke a barrel of P. A. without a kickl. It hands and all the tobacco happiness any man over dreamed about, it's so smooth and friendly. It's a mighty cheerful thing to be on talking-terms with your pipe and your tongue at the same time—but that's what's coming to you sure as you pin your faith to Prince Albert!
