Comparing verse one (R. V.) with the last clause of verse 15, we conclude that this was one early morning prayer meeting which drew a corwd. In this crowd (v. 9, 10) and on this occasion we see in miniature the ovangelism of the world. What Peter hoped to accomplish is an interesting speculation and is answered by his manner and mode of testimony. His famous 'sermon' consists of 12 verses, and the balance in quotations from loc!, Fealing, which was a simple of the power of the Spirit, are not drunken, but are speaking in soberness of a great fact. How to avoid Operations

These Three Women Tell How They Escaped the Dreadful Ordeal of Surgical Operations.

Hospitals are great and necessary institutions, but they sould be the last resort for women who suffer with ills peculiar to their sex. Many letters on file in the Pinkham Laboratory at Lynn, Mass., prove that a great number of women after they have been recommended to submit to an operation have been made well by Lydia E. Pinkham's Vegetable Compound. Here are three such letters. All sick women should read them.

Bellevue, Pa.—I suffered more than longue can tell with terrible bearing down pains and inflammation. I tried several dectors and they all told me the same story, that I never could get well without an operation and I just dreeded the thought of that. I also tried good many other medicines that were recommended to me and none of them helped me until friend advised me to give Lydia. E. Pińsham's Vegetable Compound a trial. The first bettle helped, I kegot taking it and now I don't know what it is to be sick any more and I am pleking up in weight. I am 20 years old and weigh 145 pounds. It will be the green leasure to me if I can have the opportunity to recommend is to any other suffering woman.—Miss Inrie Frosticura, 1023 Ashahattan St., North Side, Bellevue, Pa.
