

Where Time Halts.

"There are some people who never get beyond a certain age," said the brain-battered man at the railroad gates. "The unfortunate woman who never gets beyond 25 and the child who travels who never reaches the age of five."

What a Woman Will Not Do.

There is nothing a woman would not do to regain her lost beauty. She ought to be as radiant in her youth as she is in her old age. The herb drink called Laxative Medicine or Laxative Syrup is the most effective and in preserving a beautiful skin, and will more than make up for the loss of the roses to faded cheeks. At all druggists and dealers.

The faces of some men look like accidents—and some other look like disasters.

**320 Acres of Wheat Land IN WESTERN CANADA**

WILL MAKE YOU RICH

Thirty bushels per acre have been grown. General average production up to 40 bushels per acre. Under new regulations it is possible to secure a homestead of 160 acres free, and additional 160 acres at \$3 per acre.

The development of the country has made wheat raising a profitable business. It is a revolution in the history of the West. The Government of Canada has granted a homestead of 160 acres free, and additional 160 acres at \$3 per acre.

The grain crop of 1908 will net many farmers \$200 to \$250 per acre. Grain raising, mixed farming and dairying are the principal industries. Climate is excellent, social conditions the best, railway advantages unequalled, schools, churches and markets close at hand. Land may be purchased from railway and land companies.

For "Best West" pamphlets, maps and information, apply to the nearest Canadian agent, or to the nearest American agent, or to the nearest Canadian agent, or to the nearest American agent.
