## WHEN KIDNEYS ACT BAD TAKE GLASS OF SALTS

Eat Leas Meat if Kidneys Hurt or You Have Backache or Bladder Misery —Meat Forms Uric Acid.

Have stackages or statuser misery
—Meat Forms Unic Acid.

No man or woman who eats mest regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from etuggish kidneys.

The moment you feel a dull ache in the kidneys or your back burts, or if the urine is cloudy, oftensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take about four ounces of Jad Salts from any reliable pharmacy and take about four ounces of Jad Salts from any reliable to make from the agid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no elonger cause irritation, thus ending
