MAIL SCATTERED IN THE ROAD

Mail Carrier Sprague Has An Accident Monday at Tucker's Corners

Last Monday Mail Carrier W. H. Sprague of route one, was driving near Tucker's Corners when his horse became frightened at a car coming up from the rear, and began to run. Mr. Sprague pulled up on the animal, when one of the reins broke, swinging the horse around so suddenly that his mail wagon was tipped over and badly broken, besides scattering the mail, stamps and change around on the ground.

Mr. Sprague, when the wagon tipped over, went head first through the top, bruising his head and right arm quite badly, besides severely straining the muscles of his right hand. Otherwise he was not injured.

The wagon was well filled with mail at the time, which was thrown about the road, making considerable trouble in securing and getting it back in shape for delivery, after which Mr. Sprague telephoned the Park garage for an auto and finished his route.

He tells us the horse was not afraid of the cars and is a gentle animal, but was feeling pretty good and the cold air made him very "frisky" and playful that morning. Mr. Sprague would have had no trouble if the line had held when he attempted to pull the horse down.

Gave Pedro Party

The ladies of the entertainment committee of Wabnegi Rebekah Lodge No. 219 gave a very pleasant pedro party at I. O. O. hall last Friday evening.

A number of out-of-town guests were present, there being about 50 in attendance.

Mrs. Fred Fleury won first prize for ladies and Mrs. Mina Smith the booby prize, while the gentleman's prize was taken by Manley Newman, and Louis Davison the booby.

Refreshments of ice cream and cake were served.

Last Thursday evening, February 24th, at the home of Mr. and Mrs. Michael Sulkowski, occurred the marriage of their daughter, Mable, to Harley Kahrl, son of Mr. and Mrs. Rudolph Kahrl, Rev. A. C. Stange performing the ceremony.

The bride, gowned in white and attended by Miss Esther Kopphal and Miss Floy Kahrl of Detroit, each carried bouquets of white roses, while Oscar Sulkowski and William White, acted as best men for the groom.

The home was profusely decorated with roses, and the ceremony was attended by a large number of relatives and friends.

After a wedding dinner and the best wishes of their friends, Mr. and Mrs. Kahrl spent a few days with friends and went to their home on the Albert Graebner farm.

Both young people have always lived in this vicinity, and will receive the best wishes of numerous friends for a happy and prosperous married life, in which the Enterprise joins.

HOUSE BURNED TO THE GROUND

Louis Budd Loses Everything in a Fire Last Sunday Evening

Louis Budd's house just west of the corporation line, burned to the ground last Sunday evening, together with the contents, on which there was no insurance.

It seems Mr. Budd, who works in the city, purchased an acre of ground just west of town last fall and erected a small building, into which he moved his household goods, and where he and his children have resided the past winter, intending to build a more commodious home in the spring.

Coming home Sunday evening he attempted to light a fire in a gasoline stove, when the gasoline run over and ignited in the drip pan underneath the stove, the flames quickly spreading about the room and setting fire to the building, which was entirely consumed, despite the efforts to put out the fire.

In attempting to subdue the fire and save what he could, Mr. Budd was severely burned on both hands. The loss was total, even to the clothes on his back, which were so badly burned that he was supplied with wearing apparel by the neighbors who took the family in for the night.

The loss is a severe one on Mr. Budd, who is said to have lost between \$50 and \$100.

The different divisions of this work will be the nature of the disease, prevention and care. Pamphlets have been received from superintendent of public instruction, with all work for this study outlined. During these same days tuberculosis will be studied in every school in the state of Michigan.

Both basket ball teams went to the Solway gym in Detroit, where they played two games with River Rouge High School.

The girls played the first game and lost by one point. The first half ended 3 to 1 in favor of Farmington, but the second half ended with a score 6 to 7, with River Rouge on the big end. This game was a poor exhibition of basket ball, only two field baskets being made and both of these by River Rouge. All the rest of the points were made from fouls.

The boys' game was about as good as can usually be seen. The teams were about evenly matched, and it was nobody's game until the whistle blew. The game was played in quarters of ten minutes each. At the end of the first quarter score was 10 to 9, F. H. S. in the lead. Second quarter put R. R. in the lead 13 to 10, third quarter tie, 16 and 16 and fourth quarter 20 to 19 with F. H. S. on the big end. The last basket, thrown by Osmus, which won the game was made in the last quarter minute of play.

The game was fast and clean from start to finish. Several of the players, although badly bruised from the Royal Oak game, came through this game without even a bump on their sore spots.

The parties, who last fall bought drums of kerosene oil at 10½ cents per gallon of an oily tongued salesman thinking they were buying the best 15 cent oil, are having a mighty hard time burning it up.
