Constipation, if Neglected, Causes Serious Illness

Constipation, if neglected, leads to almost innumerable complications affecting the general health. Many cases of typhoid fever, appendicitis and other severe diseases are traceable to prolonged clogging of the bowels. Regarding the effects of constipation, C. E. Ayers, of Sabin, Ill., writes: "I was afflicted with constipation and indigestion for years, and at times became so bad I would become hysterical. I have been found in that condition many times. Physicians did not seem to be able to do me any good. I would become weak and for days at a time could do no work. Not long ago I purchased a box of Dr. Miles' Laxative Tablets, and after using them found I had never felt anything that acted in such a mild and effective manner. I believe I have at last found the remedy that suits my case."

Thousands of people are sufferers from habitual constipation and while possibly realizing something of the danger of this condition, yet neglect too long to employ proper curative measures until serious illness often results. The advice of all physicians is, "keep your bowels clean," and it's good advice.

Dr. Miles' Laxative Tablets are sold by all druggists, at 25 cents a box containing 25 doses. If not found satisfactory, your money is returned.

MILES MEDICAL CO., Elkhart, Ind.

He Removed the Danger Signal

Frank V. Sherman, Laconia, N. Y., writes: "I was troubled with kidney trouble, had a tired feeling in my back, and felt all tired out. I used Foley Kidney Pills and now I have entirely recovered and have had no return of my painful symptoms. One cannot help becoming nervous and irritable when the poisonous waste which the kidneys call to filter and throw out is allowed to accumulate in the system. It causes kidney troubles and bladder ailments."

Each box is one of Nature's danger signals that the kidneys are clogged or inactive. It is often followed by rheumatism, migraines, or urinary discharges, purty swellings under the eyes, swollen ankles and painful joints.

Foley Kidney Pills get right at the source of trouble. They invigorate the kidneys to healthy action and when the source properly performs the functions the poisonous waste matter is eliminated from the system.
