of returning to the "pathmaster"  
system of building roads, as pro-  
vided by chapter 25 of the Michigan

acts of 1913. The clause provides  
that townships may care for their  
roads with a labor tax, as well as  
a money tax. This provision, how-  
ever, does not in any way limit the  
power of the county road commis-  
sioners over the county roads,  
where the county is under the  
"county road system."

## For Croup--Mothers--

Always Keep This Handy

The day of the Croup scare is over  
for those parents who wisely keep  
Foley's Kidney Pills and The Compound  
in the home ready for instant use.  
Mrs. Chas. Teitz, Atlanta, Ga.,  
writes: "I have used Foley's Honey  
& Tar Compound for the past eleven  
years and would not be without it. It  
has saved me many a doctor's bill for  
colds and croup."

It toward nightfall the little ones  
grow hoarse and croupy. If their breath-  
ing becomes wheezy and stuffy, give  
them a few drops of the Compound.  
They will ease the little sufferer  
quickly, cut the thick choking phlegm,  
and soon they will have easy breathing  
and peaceful quiet sleep.
