A newspaper is in no sense a child of charity. It earns twice over every dollar it receives, and it is second to no enterprise in contributing to the upbuilding of a community. Its patrons reap more benefit from its pages than its publisher, and in calling for the support of the community in which it is published, it asks for no more than in all fairness belongs to it, though generally it receives less.

There are now only 512 survivors of the old Mexican War, of whom reside in the state of Michigan.

Old Folks Saved From Suffering

Mrs. Mary A. Dean, Taunton, Mass., in her 87th year, says: "I thought I was beyond the reach of medicine, but Foley Kidney Pills have proven most beneficial in my case."

Mrs. Sam A. Hoover, High Point, N. C., writes: "My kidney trouble was worse at night and I had to get up from five to seven times. Now I do not have to get up at night and consider myself in a truly normal condition, which I attribute to Foley Kidney Pills. As I have taken 'nothing else'."

Mrs. M. A. Bridges, Robinson, Mass., says: "I suffered from kidney ailments for two years. I commenced taking Foley Kidney Pills ten months ago, and though I am 81 years of age, I feel like a 25-year-old girl."

Foley Kidney Pills are tonic, strengthening and up-building, and restore normal action to the kidneys and to a disordered and painful bladder. They act quickly and contain no dangerous or harmful drugs.
