Bom Schaulplaxe des europaischen Vollertrieges.

Ohgleich es auch in den letzten Wochen ein entsetzliches Verbrechen hat, so war es doch ein Ereignis, das auf die Weltgeschichte einen tiefen Eindruck hinterlassen wird.

Was ferner gegen größere Verbände geschieht, ist nicht allein die Tatsache, daß die Kämpfer der Waffen besetzt gemacht werden, sondern, daß sie mit solchen Geschützen besetzt werden, die in der Geschichte noch nicht vorkommen.

Die Gefahr der Munitions-Auslieferung.

Die Gefahr der Munitions-Auslieferung bespricht Prof. Dr. M. C. Alpers, der Vorsitzende der 'American Pharmaceutical Association', in einem Artikel, worin er u. a. folgende Äußerung macht: Der Wettbewerb gegen die Industrie der Waffen und Munition ist ungleichmäßig.

Das deutsche Volk will einen militärischen Sieg, und wir werden ihn auch erringen. Das ist der andere Teil der Wahrheit. Und der andere Teil der Wahrheit ist, daß die diplomatischen Beziehungen zwischen den Nationen große Zusammenstöße hervorrufen werden.

PATROL DRIVES SAILORS MAD

Letter From a British Tar in the Atlantic Blockade Makes Pathetic Reading.

The perils, hardships, cold and loneliness that have driven mad some of the sailors who man the British blockade fleet outside the three-mile limit off our Atlantic coast, has been written of by a British sailor who has been 'barred' aboard the Sydney, to an old mate in this city.

'Dear Jerry: It looks as though we were to spend another Christmas on the briny deep. It has been terribly cold out here and we have had a hard time of it. The other night we ran short of coal and had to shoot down to Bermuda.'

'I heard some of the boys in the Carolina (former Cunard liner, now converted cruiser) went crazy, and I don't blame them a bit. A lot of us will be going the same way before long. We are looking for the cutter today and expect to get a supply of fresh greens. But she'll smash herself to pieces against our side, I suppose, before she gets here.'

'I lost a man over the side who was reaching for a sack of lettuce or something. He shot down between us and the rotten little tug so quick that there was no chance to save him. He was a young fellow, too, a Scotchman, and I remember in Fulham Palace road, Hammersmith.'

Das deutsche Volk will einen militärischen Sieg, und wir werden ihn auch erringen. Das ist der andere Teil der Wahrheit. Und der andere Teil der Wahrheit ist, daß die diplomatischen Beziehungen zwischen den Nationen große Zusammenstöße hervorrufen werden.
