There is more Catarrh in this section of
the country than all other diseases put
together, and that is not true. For a great
many years doctors pronounced it a hopeless
disease and prescribed best remedies, and
yet patients failed to cure their trouble.
The reason, however, is that they require
constitutional treatment. Halls' Catarrh
Cure, manufactured by Dr. J. C. Halls, of
Columbus, Ohio, is the only Constitutional
Cure on the market. It is taken orally, and
removes in from 10 drops to a tea-
spoonful. It acts directly on the inflamed
and mucous surfaces of the system. They
offer one hundred dollars for any case if
fails to cure. Send for circulars and test-
imonials.

A story comes to us this week

Redford has been "dry" this
week, owing to a misunderstanding
in the changing of hotel proprie-
tors, one of whom, we understand
has barricaded the doors and will
not vacate. Larue Steele, present
lessee of the property, demanded a
larger sum for the hotel fixtures
and furnishings than Eber Burns,
who was recently granted the bar
license, was willing to pay. Since
the place has been closed a new
development has arisen. The hotel
property is within 400 feet of a
church, and it is reported that the
church people are planning to op-
pose any attempt to reopen the bar,
on the ground that the Warner-
Cramton law prohibits the estab-
lishment of a bar within 400 feet
of a church.
