For Croup--Mothers--
Always Keep This Handy

The day of the Croup scare is over
for those parents who wisely keep
Foley's Honey and Tar Compound at
hand for instant use.

Mrs. Chas. Rette, Allen's Mills, Pa.,
writes: "I have used Foley's Honey and
Tar Compound for the past eleven years,
and would not be without it. It has
saved me many a doctor's bill for colds
and croup."

If toward nightfall the little one
coughs and croup, if their breathing
becomes wheezy and snuffy, give
them Foley's Honey and Tar Compound.
Many a careful mother has been able to
ward off an attack of spasmodic croup
by its timely use.

If you are awakened by the hoarse
cough that means croup, give your
Foley's Honey and Tar Compound at
once. It will ease the little sufferer
quickly, cut the thick choking phlegm,
and soon they will have easy breathing
and peaceful quiet sleep.

PRINCE ALBERT

the national joy smoke

R. J. Reynolds Tobacco Co., Winston-Salem, N. C. Copyright 1916 by R. J. Reynolds Tobacco Co.

P. A. puts new joy
into the sport of
smoking!

YOU may live to
be 110 and never
feel old enough to
vote, but it's cer-
tain-sure you'll not
know the joy and
contentment of a
friendly old jimmy
pipe or a hand rolled

cigarette unless you get on talking-terms
with Prince Albert tobacco!

P. A. comes to you with a real reason for all the
goodness and satisfaction it offers. It is made by
a patented process that removes bite and parch!
You can smoke it long and hard without a come-
back! Prince Albert has always been sold without
coupons or premiums. We prefer to give quality!

Prince Albert affords the keenest pipe and cigarette
enjoyment! And that flavor and fragrance and
coolness is as good as that sounds. P. A. just
answers the universal demand for tobacco
without bite, parch or kick-back!

Introduction to Prince Albert isn't any harder
than to walk into the nearest place that sells
tobacco and ask for "a supply of P. A." You pay
out a little change, to be sure, but it's the cheer-
fullest investment you ever made!

Keeping Up To The Mark
"Spring fever" is not always a
joke. If you feel dull and sluggish,
tired and worn out, suffer from
backache or weak back, rheuma-
tism, sore muscles, stiff joints or
other indication of kidney trouble,
it will pay you to investigate Foley
Kidney Pills. They are highly re-
commended as a prompt and
efficient aid to health.
