### AN ELECTRIC IRON

You need no fire to work with an electric iron, and don't have to walk a step. The iron is always on the board and always hot. With an electric iron you can do your ironing in HALF the time and a hundred times the comfort required by the old fashioned method, and LOTS CHEAPER.

You may use one, if you like, for a couple of weeks. If you don't like you don't have to keep it or pay a cent.
