Old Folks Saved From Suffering

Mrs. Mary A. Dean, Taunton, Mass., in her 87th year, says: "I thought I was beyond the reach of medicine, but Foley Kidney Pills have proven most beneficial in my case."

Mr. Sam A. Hoover, High Point, N. C., writes: "My kidney trouble was worse at night and I had to get up from five to seven times. Now I do not have to get up at night, and consider myself in a truly normal condition, which I attribute to Foley Kidney Pills, as I have taken nothing else."

Mrs. M. A. Bridges, Robinson, Mass., says: "I suffered from kidney trouble for two years, and after taking Foley Kidney Pills ten months ago, and though I am 61 years of age, I feel like a 16-year-old girl."

Foley Kidney Pills are tonic, strengthening and up-building, restore normal action to the kidneys and to a disordered and ailing body. They act quickly and contain no dangerous or harmful drugs.
