**The man with \$15**

—to spend on his summer suit, can come here and buy THE SAME STYLE AND QUALITY as the man who spends \$25 at any other Detroit clothing store.

We sell values AT \$15 that any retailer would charge at least \$25 for—because that retailer MUST PAY EXPENSES and MAKE A PROFIT BESIDES.

Being MANUFACTURERS, and selling DIRECT TO THE WEARER means we have just one profit to make. We make OURS in our New York tailor shops. You make YOURS here.

**NEAL TREATMENT**

For the drink habit is moderately. The average drinking man will spend several times as much for liquor in a few weeks—many spend its cost in a night or on a single spree. From a business point of view alone, the Neal Treatment is a good investment for the man who drinks. It pays dividends in money saved, restored confidence, increased efficiency with greater earning capacity, renewed vitality, steady nerves and clear brain.

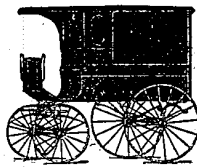

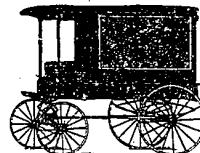

3 to 5 days away from business or occupation is all the time required to permanently remove all desire, craving or appetite for alcoholic stimulants—to place you where you were before taking your first drink.
