Property rents or sells for more money when properly painted.

Good paint increases the value of property at least 20 per cent. That gives you a good, sound dollars-and-cents reason for the use of the highest grade paint. When you buy

ROGERS
PAINT MACHINE MIX

you buy length of service, because Rogers materials and Rogers methods produce a paint that will resist the hardest wear for the longest time.

The use of Rogers Paint, Machine Made, is a permanent and profitable investment.
