THE EYES OF THE MOTOR WORLD

Are Centered on Detroit Championship 200-Mile Relay Race.

Sunday, July 9th, at Detroit, will be one of the greatest days in the history of motor racing. The auto city has been especially fortunate in securing a rate meet of this caliber—clean sport—world's best riders—and keen rivalry among the manufacturers of motoreys, putting forth every effort to put racing machines on the fairgrounds track that can stand up under such a severe test of speed and endurance as will be necessary to win. And it is not merely the speedy steady machine to win they must have expert riders—fellows with iron nerves—fearless and out to win at any price to them it is not just a question of the big cash prizes offered by the Interstate Racing association, but reputation. These fearless speed demons are well paid by the factories they represent and they must build reputations for the manufacturers of their mounts, and to do this they have got to ride, and ride hard.

BOOZE

is the Master of a man in its grip. It cannot be beaten alone. Good resolutions are made only to be broken. Men try and fail.

Failure to break away is due to alcohol being a poison. Indulgence has stored it up in the system. Its demands are insistent. Medical attention is necessary to remove the cause and eliminate the poison from the brain and body cells.

The Neal Treatment, originated by Dr. Benjamin E. Neal, is a safe, sure remedy (administered by reputable physicians) that permanently removes all desire, craving or appetite for alcoholic stimulants.

The thousands who have been successfully treated in 69 Neal Institutes justifies us in offering these terms: **SATISFY US OF YOUR ABILITY TO PAY THEN PAY WHEN SATISFIED.** You must be satisfied or we do not want your money.

OPEN SUNDAY AND EVENINGS

"Bob Perry", the young college fellow who has paid his way through college on his winnings of big races, and who won the hundred mile sweepstakes race in Detroit three weeks ago, and his team mate, "Glenn Stokes", who finished second are picked by the fans as the favorites of this meet. But to win they will have to defeat about thirty of the world's best speed artists from all over the country. New York to Los Angeles, and Texas to Toronto, Canada.

"Krazy Horse Verrill" of Los Angeles, the so-called "Charley Chaplin on wheels" and winner of the Columbus hundred mile race last week, has been around with a long grin on his face and when asked the cause just shakes his head—but the boys who know Verrill say they are afraid he has something up his sleeve to spring at the Detroit race. We'll see.

And then too "Ray Creveston", holder of four world's records and the crack rider of the Indian Factory, says, "the boys will have to get up early to keep ahead of my dust" and when Crevy talks he means it.
