PRINCE ALBERT
the national joy smoke
in goodness and in pipe satisfaction is all we or its enthusiastic friends ever claimed for it!
It answers every smoke desire you or any other man ever had! It is so cool and fragrant and appealing to your smokeappetite that you will get chummy with it in a mighty short time!
Will you invest 5c or 10c to prove out our say-so on the national joy smoke?
R. J. REYNOLDS TOBACCO CO., Winston, Salem, N. C.

Prince Albert gives smokers such delight, because
—its flavor is so different and so delightfully good;
—it can't bite your tongue;
—it can't parch your throat;
—you can smoke it as long and as hard as you like without any comeback but real tobacco happiness!
On the reverse side of every Prince Albert package you will read:
"PROCESS PATENTED JULY 30th, 1907"
That means to you a lot of tobacco enjoyment. Prince Albert has always been sold without coupons or premiums. We prefer to give quality!
This is the reverse side of the Prince Albert tin. Read the "Patented Process" message and realize what it means in making Prince Albert so much to your liking.

Bulletin No. 5
The Bethlehem Steel Company's Offer to Serve the United States
At a time when the expenses of the Government are so enormous—
Isn't it worth while finding out the actual facts before plunging ahead into an expenditure of \$11,000,000 of the people's money for a Government armor plant?
To clear up the whole situation, and to put it on a basis as fair and business-like as we know how to express it, we now make this offer to the Government:
The Bethlehem Steel Company will manufacture armor plate for the Government of the United States at actual cost of operation plus such charges for overhead expenses, interest and depreciation as the Federal Trade Commission may fix. We will agree to this for such period as the Government may designate.
The House of Representatives voted down a proposal to empower the Federal Trade Commission to determine a fair price for armor, and allow private manufacturers opportunity to meet that price before the Government built its plant.
Isn't our proposition fair and ought it not to be accepted?
The measure is now before the United States Senate.

EUGENE G. GRACE, President

His Backache Gone
Just how dangerous a backache, sore muscles, aching joints or rheumatic pains may be is sometimes realized only when life in surance is refused on account of kidney trouble. Joseph G. Wolf of Green Bay, Wis., writes: "Foley Kidney Pills relieved me of a severe backache that had bothered me for several months." Take Foley Kidney Pills for weak lame back and wear sleepless nights.
