Old Folks Saved From Suffering

Mrs. Mary A. Dean, Taunton, Mass., in her 87th year, says: "I thought I was beyond the reach of medicine, but Foley Kidney Pills have proven most beneficial in my case." Mr. Sam A. Hoover, High Point, N. C., writes: "My kidney trouble was at night and I had to get up from five to seven times. Now I do not have to get up at night, and consider myself in a truly normal condition, which I attribute to Foley Kidney Pills as I have taken nothing else."

Mrs. M. A. Bridges, Robinson, Mass., says: "I suffered from kidney ailments for two years. I commenced taking Foley Kidney Pills ten months ago, and though I am now 70 years of age, I feel like a 35-year-old girl." "Foley Kidney Pills" tone up, strengthen and build up, and restore normal action to the kidneys and to a quivering and painful bladder. They act quickly and contain no dangerous or harmful drugs.

P. A. comes to you with a real reason for all the goodness and satisfaction it offers. It is made by a patented process that removes bite and parch! You can smoke it long and hard without a come-back! Prince Albert has always been sold without gr. pons or premiums. We prefer to give quality!

Prince Albert affords the keenest pipe and cigarette enjoyment! And that flavor and fragrance and richness is as good as that sounds. P. A. just answers the universal demand for tobacco without bite, parch or kick-back!

Introduction to Prince Albert isn't any harder than to walk into the nearest place that sells tobacco and ask for "a supply of P. A." You pay a little change, to be sure, but it's the cheapest investment you ever made!

For Prosecuting Attorney

Having decided to become a candidate for the nomination of the office of Prosecuting Attorney for Oakland County on the Republican ticket at the primaries, to be held on AUGUST 29th, I desire at this time to make announcement of my candidacy to the voters of the county.

In making this announcement I desire to call attention to the fact that for six years I filled the office of Assistant Prosecuting Attorney under Frank L. Covert, and during that time assisted in the disposition of several thousand criminal cases. For the past six years I have been engaged in private practice, and during that time I have had considerable experience in the defense of criminal cases. For this reason I feel that I have a fair insight into the criminal law, both from the standpoint of prosecution and of the defense.

If nominated and elected to fill the office I promise the people of the county a strict enforcement of all the laws without regard to class or faction.

Under Sheriff
Candidate for Sheriff
Republican Ticket

Primaries August 29, 1916

To the Electors of Oakland County:—

Having decided to become a candidate for the office of Sheriff, I wish to announce my candidacy for the Republican nomination at the primaries, to be held August 29th, 1916. In introducing my candidacy I wish to state that I have served as Deputy Sheriff during both Sheriff Judd's and Sheriff Bell's administrations, and have served as Under Sheriff under Sheriff Oliver during his entire administration, and have taken an active part in the duties of the office.

I believe that the best protection to the public and the greatest economy to the taxpayers in the long run is in unearthing crime and bringing law violators to justice. I solicit your support, with the promise of giving to the office the benefit of my experience as an officer, and promise to give, if elected, a careful and economical administration of the duties of that office.
