## Old Folks Saved From Suffering

Mrs. Mary A. Dean, Taunton, Mass.,  
in her 87th year, says: "I thought I  
was beyond the reach of medicine, but  
"Poley Kidney Pills have given me more  
benefit in my case."  
Mr. Sam A. Hooper, High Point,  
N. C., writes: "My kidney trouble was  
worse at night and I had to get up  
from five to seven times. I did not  
have to get up at night, and consid-  
er myself in a truly normal con-  
dition, which I attribute to Poley Kid-  
ney Pills, as I have taken nothing else."  
Mrs. M. A. Bridges, Robinson, Mass.,  
says: "I suffered from kidney ail-  
ments for two years. I commenced  
taking Poley Kidney Pills ten months  
ago, and though I am 61 years of age,  
I feel like a 35-year-old girl."  
Poley Kidney Pills are tonic,  
strengthening and up-building, and  
restore normal action to the kidneys  
and to a disordered and painful sys-  
tem. They act quickly and contain  
no dangerous or harmful drugs.

## Glenn C. Gillespie

Assistant Prosecutor

Candidate for

Prosecuting Attorney

Republican Ticket

A Good Official

"The fact that Mr. Gillespie has been Assistant to Prosecuting Attorney F. L. Doty for the last four years, should fit him admirably for the position he seeks."  
—Royal Oak Tribune, August 14, 1916.

## Prosecuting Attorney

It had been my intention to make a personal canvass of the Republican voters of Oakland County in conducting my campaign for the nomination on the Republican ticket for Prosecuting Attorney, and I expect to follow this course as far as possible.

Owing to the fact that I have been asked by the City Commission to act as City Attorney for the next two weeks during the absence of Mr. Bromley, I will be unable to make as complete a canvass of the county as I had wished.

From the experience gained during the six years that I acted as Assistant Prosecuting Attorney, I am fully aware of the heavy duties and responsibilities connected with the prosecutor's office. Should I receive the nomination and election I promise the voters of the county to give the people a fair and businesslike administration of the office and a strict enforcement of all the laws without any regard to class or faction.

If I receive the nomination I expect to make my campaign as the nominee of the Republican party, and not as the nominee of any particular faction or element of that party.

Arrangements and prosecutions will be made promptly and unnecessary expense will be avoided.
