Personal Word from Assistant Prosecutor Glenn C. Gillespie.

TO THE VOTERS OF OAKLAND CO.:

It was my hope to have personally seen every voter before next Tuesday, but on account of Prosecutor Doty being called away with the National Guard all of the duties of the Prosecutor's office fall upon me. Many important matters have arisen which have required practically all of my time, and I consider it my first duty to attend to the official matters of the Prosecutor's office rather than my personal affairs. I've been Assistant Prosecutor for the past four years and would like to be promoted to Prosecutor. I'll appreciate your vote and promise, if nominated and elected, to give the office the same careful, conscientious, businesslike administration that it has had during the time I have been Assistant Prosecutor. Respyly yours, Glenn C. Gillespie.
