Mrs. Mary A. Dean, Taunton, Mass.,
in her fifth year, says: "I thought I
was beyond the reach of medicine, but
Foley Kidney Pills have proven most
beneficial in my case."

Mrs. Sam A. Hoover, Elgin, Point,
N. C., writes: "My kidney trouble was
worse at night and I had to get out
five to seven times. Now I do
not have to get up at night, and con-
sider myself in a truly normal con-
dition, which I attribute to Foley Kid-
ney Pills as I have taken nothing
else."

Mrs. M. A. Bridges, Robinson, Mass.,
says: "I suffered from kidney ail-
ments for two years. I commenced
taking Foley Kidney Pills ten months
ago, and though I am 67 years of age,
I feel like a 16-year-old girl."

Foley Kidney Pills are tonic,
strengthening and purifying. They
insure normal action to the kidneys
and is a chlorinated and painful blood-
poison. They act quickly and contain

FROM OUR EXCHANGES

Newsy Items Taken From
Other Papers in and
About the County.

Two of Redford's popular young
people, Miss May Houghton and
Albert Gramer, were married Wed-
nesday evening.—Redford Record.

The eighteen-month-old child of
Mr. and Mrs. Bennett, Detroit
people who are at Stony Lake, fell
from the dormer window of a cottage
to the ground, a distance of sixteen
feet, one day last week and although
the child suffered many bruises, a
black eye and had two or three
convulsions following the fall, it
now shows no ill effects from a
tumble which would have meant
serious injury to an older person.
—Oxford Leader.

Last Sunday afternoon a spark
from a locomotive set on fire the
grass at the Pittman & Dean, Bailey
Lake ice houses and the flames
soon spread to the piles of lumber
which have been lying on the
ground since the taking down of
the six ice houses last fall. This

timber together with a quantity of
new oak was destroyed. The Orion
fire engine was rushed to the scene
and by it and the work of a big force
of men, the standing ice houses
were saved.—Orion Review.

Northville was in darkness Mon-
day night as a result of the wind
storm in the afternoon which blew
in a large tree down near the Eberly
farm, which broke the high tension
wire and pulled down three or four
poles. A gang of trouble men were
immediately phoned for at Detroit
and by hard and dangerous work
the village was supplied with elec-
tricity about midnight.—Northville
Record.

Four well-known young Brighton
people have a true fish story to re-
late. While they were enjoying a
twilight trip down the Huron River,
not far from our village, a sud-
den pattering and a flop in the front
end of the boat drew their attention;
one of the occupants jumped up
just in time to catch the intruder.
Upon examination it proved to be
a two pound bass. An affidavit
can be furnished if necessary.—
