Here's Speedy Relief from Kidney Troubles

"Foley Kidney Pills have done me a
heap of good."—A. T. Bartlett, Brock-
ton, Mass.

Some days it seems as if you can no
longer bear the pain and misery you
suffer from kidney and bladder trouble.
The ache across your back grows worse
with every move you make, and with
every step you take. It not only robs
you of all your strength and energy, but
it affects the other important organs of
the body as well. Nervousness, head-
ache, disordered stomach, liver trouble,
bad sight, are only some of the con-
ditions that follow kidney trouble.

Foley Kidney Pills help the kidneys weak
days to regain their normal healthy
condition and activity. While it is prac-
ticable to do their work effectively, your
system is no longer choked with kidney
trouble. Your kidneys are waste matter. Your
system clears up, your weakness
sinks, your energy and vigor return, and
Foley Kidney Pills can do you also a
heap of good.

Harry Adams says it pays to use
the "want column" of the Enter-
prise. Last week he inserted an
"ad" announcing the loss of a
watch fob. On Saturday the fob
was returned to him, the finder
having read his little "ad." Almost
every week the want col-
umn makes new friends. Recently
we received a telephone message
from a lady, who had ordered an
"ad" for two weeks, with instruc-
tions to discontinue it the second
time, as the first insertion brought
the desired result. Have you tried
them. They do the business.

Prince Albert is sold everywhere
in tins, red bags, 50c, 10c, 5c, 2c
tins, 10c, 5c, 2c, 1c, 5c, 2c, 1c, 5c,
that clever crystal-glass pound
humidor with sponge-mattress
top that keeps the tobacco in such
splendid condition.

PRINCE ALBERT

R. J. Reynolds Tobacco Co., Winston-Salem, N. C. Copyright 1916 by R. J. Reynolds Tobacco Co.

P. A. puts new joy
into the sport of
smoking!

YOU may live to
be 110 and never
feel old enough to
vote, but it's cer-
tainly sure you'll not
know the joy and
contentment of a
friendly old jimmy
pipe or a hand rolled
cigarette unless you get on talking-terms
with Prince Albert tobacco!

P. A. comes to you with a real reason for all the
goodness and satisfaction it offers. It is made by
a patented process that removes bite and parch!
You can smoke it long and hard without a come-
back! Prince Albert has always been sold without
coupons or premiums. We prefer to give quality!

Prince Albert affords the keenest pipe and cigarette
enjoyment! And that flavor and fragrance and
coolness is as good as that sounds. P. A. just
answers the universal demand for tobacco
without bite, parch or kick-back!

Introduction to Prince Albert isn't any harder
than to walk into the nearest place that sells
tobacco and ask for "a supply of P. A." You pay
out a little change, to be sure, but it's the cheer-
fullest investment you ever made!
