## Don't Invite Serious Sickness

"A stitch in time saves nine" is an old and trite saying, but it is nevertheless true. Common colds and other conditions are the foundation of much serious illness and dread disease that could be avoided if prompt attention were given to the first so-called slight ailment.

Every family can provide prompt treatment for these first attacks of ill health—without every family should be prepared for an emergency by having on hand that standard old family cough syrup, Foley's Honey and Tar Compound, for the relief of coughs, croup, whooping cough, irritated inflamed throat, tight and sore chest, croup and bronchial coughs.

Foley Cathartic Tablets are just the thing for constipation and sluggish bowel movement—a wholesome, invigorating and cleansing cathartic. It does not grip or cause nausea or inconvenience and is particularly welcome to stout people.
