Here's Speedy Relief From Kidney Troubles

"Foley Kidney Pills have done me a world of good."—A. J. HARRIS, Brockton, Mass.

Some days it seems as if you can no longer bear the pain and misery you suffer from kidney and bladder trouble. The ache across your back grows worse with every move you make, and with every step you take. It not only ruins the body as well. Nervousness, headache, disordered stomach, liver trouble, bad dreams, are only some of the conditions that follow kidney trouble.

Foley Kidney Pills help the sick weak body to regain their normal healthy condition and activity. When they are again able to do their work effectively, the system is no longer choked and blocked with poisonous wastes. Your kidneys, regardless of how long they have been diseased, can do you also a "world of good."
