VOTE NOV. 7
MICHIGAN
DRY
"YES" FOR PROHIBITION
"NO" ON HOME RULE

Vote for a Square Deal and Defeat "Home Rule"

VOTE NOV. 7
MICHIGAN
DRY
"YES" FOR PROHIBITION
"NO" ON HOME RULE

On Nov. 7 every voter will receive ballots for four Constitutional Amendments. Two of these relate to the liquor traffic and two do not. Your special attention is called to the two amendments relating to the liquor traffic.

Every voter must vote twice on the liquor traffic. Every enemy of the saloon must vote "YES" on the Dry State-wide Amendment to Article XVI, Section 11, for prohibition. Every voter, wet or dry, who believes in the square deal, will vote "NO" on the "wet" or so-called "Home Rule" Amendment to Article VIII, Section 30.

What is the so-called "home rule" amendment? It is a plan to change the Michigan Local Option Law so that the voting unit will be the city, village or township instead of the county, as at present. It is distinctly a wet measure, advocated by the Michigan Home Rule League, which is the anti-prohibition organization of the Michigan saloons who are backed by the brewers and distillers in many other states than Michigan.

Who wants the so-called "home rule" amendment? The saloon crowd, brewers and distillers. Who are fighting the "home rule" amendment? The United Dry Federation of Michigan, including the Michigan Anti-Saloon League, Michigan Grange, Michigan Gleaners, Michigan State Sunday School Association, The Trade Union Dry League, W. C. T. U., and other great organizations, both Catholic and Protestant.

AMENDMENT TO THE CONSTITUTION

Providing for prohibition in the state forever of the manufacture, sale, keeping, for sale, giving away, bartering or furnishing of any vinous, malt, brewed, fermented, spirituous or intoxicating liquors, except for medicinal, mechanical, chemical, scientific or sacramental purposes.

Amendment to Article XVI of the Constitution, by adding thereto a section to be known as Section 11, providing for prohibition in the state forever of the manufacture, sale, keeping for sale, giving away, bartering or furnishing of any vinous, malt brewed, fermented, spirituous or intoxicating liquors, except for medicinal, mechanical, chemical, scientific or sacramental purposes.

Section 11. The manufacture, sale, keeping for sale, giving away, bartering or furnishing of any vinous, malt brewed, fermented, spirituous or intoxicating liquors, except for medicinal, mechanical, chemical, scientific or sacramental purposes, shall be after April 30th, 1918, prohibited in this state forever. The legislature shall by law provide regulations for the sale of such liquors for medicinal, mechanical, chemical, scientific and sacramental purposes.

What the "wets" want in Michigan is to defeat state-wide prohibition and nullify county local option—and to do this they hope to deceive enough dry voters so as to get a majority, November 7.

If the state-wide dry amendment is defeated and the wet "home rule" amendment is adopted, the county local option law of Michigan will be destroyed and the state will be as wet legally as it was before Van Buren County went dry in 1890.

VOTE ON PROPOSED

AMENDMENT TO THE CONSTITUTION

Providing that every incorporated city and village, and organized township shall have the right to determine whether or not there shall be prohibited therein the manufacture and sale of malt, brewed, fermented, vinous, distilled or intoxicating liquors.

Amendment to Article VIII of the Constitution by adding thereto a section to be known as Section 30, providing that every incorporated city and village, and organized township shall each have the right to determine whether or not there shall be prohibited therein the manufacture and sale of malt, brewed, fermented, vinous, distilled or intoxicating liquors.

Section 30. Every incorporated city, every incorporated village and every organized township (meaning thereby all that part of a township outside the limits of an incorporated city or village located partly or wholly therein) shall each have the right to determine by a majority vote of the electors thereof, whether or not there shall be prohibited therein the manufacture and sale of malt, brewed, fermented, vinous, distilled or intoxicating liquors.

Appropriate legislation shall be enacted to enforce and make effective the provisions of this section and, until such legislation is enacted, existing local option and regulatory laws on this subject shall continue in force; but no existing law inconsistent with the provisions of this section shall continue in force after January 1, 1918.
