## Laxative for Women Free

There is a great difference in the purpose for which a laxative should be put. Tablets and pills, salts, etc., are usually violent purgatives or cathartics, and altogether too powerful for the average person.

A woman at all times needs only a mild laxative—in fact, none or very little—by anyone, weak or strong, though they may be, for the object is simply to move the bowels, and if a gentle is active will do it, it is the use of a "Laxative."

Dr. Caldwell's Syrup Pepsin has earned well-deserved fame among women and children and old folks—people who must be constantly careful of what they take. It is a liquid laxative tonic and admirably the greatest of what they take.

It comes in both sizes, and all druggists sell it. Its pleasant taste and gentle action make it an ideal remedy for women in constipation, torpid liver, sour stomach, sick headache, heartburn and such like digestive complaints. Its use for a short time will remove all trouble and thereby so that future medication will be unnecessary. Its tone properly builds the stomach and intestinal muscles so that they act naturally again. That this is so is the experience of many thousands of families, like Mrs. Brannan, of Alvarado, Va.; Mrs. E. E. Smith, of Louisville, Ky.; and numerous others. In fact, way out in the West, at Mrs. J. E. Lawrence, of that place, writes, the whole town seems to use it.

If the remedy is new to you and you want to make a trial of it before buying, send your name to the doctor's address as below and a free test bottle will be sent you. Then if you are not satisfied you can buy it of your druggist.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor. He will answer you fully. There is no charge for this service.

The address is: Dr. W. E. Caldwell, 500 Caldwell Bldg., Monticello, Ill.
