

Summer Job Is Boat Trip

FARMINGTON William Lee, Eastern Michigan University senior from Farmington, is spending his second summer as a geologist with the National Ocean Survey, working to help solve the problem of lake pollution. He is working this summer

on a lake survey boat in the Straits of Mackinac and last summer worked on Lake Huron. Students were chosen to help with the work on the basis of academic achievement. Lee has a cumulative grade point average of 3.61 from a possible four points for his three years at EMU. He is a member of two honor societies, Sigma and the Honorary Geological Society. His parents are Mr. and Mrs. Robert T. Lee, 22750 Hayden.

FAAC Receives Jaycee Donation

FARMINGTON The Farmington Area Advisory Council recently received the second half of a \$1,500 annual donation from the Farmington Jaycees. Jaycee President John Sprys said the donation was partly proceeds from the Founders Festival rodeo and partly from the general treasury. The donation is part of the continuing support from the Jaycees, according to FAAC president John Borbi. The FAAC operates "rap Line" as its main function, as well as other, youth-oriented programs.
