The New
1974 OLDSMOBILES

Oldsmobile's lowest priced big-car series. Beautiful to see, even more beautiful to own—for like the Royale, it's really put together. A rare car-for-the-dollar value in today's market.

Toronado is Oldsmobile's personal luxury car with front-wheel drive. One of the world's most distinguished motorcars, designed and built in the belief that engineering can be beautiful.

Start with the luxuries of a big Olds sedan, translate them into an elegant station wagon—that's Oldsmobile's Custom Cruiser.
