## Enrollment Loss Slight

Revenue will increase by more than \$36,000 in state aid in the Clarenceville School District, according to the official enrollment count.

Taken the fourth Friday in September, the count shows an enrollment of 3,498 students, 30 more than estimated and 49 more than budgeted.

"A conservative shot at the budget" prevents the district from getting caught "short" of state aid revenue, according to Supt. David McDowell. "We knew about the additional funds while negotiations for a new teacher contract were resumed. So we were able to make some improvements in the package," he added. Salary schedules improved \$100-\$200 over an agreement reached last month but rejected by teachers.

Enrollment increased over projections on the elementary level; however, McDowell said the increases were spread over all elementary school and all grade levels.

## 4,000 Tested

Did you know that each year more than 4,000 Detroit area residents receive 20 free health tests at the United Foundation Healthorama held in different locations throughout the tri-county area?

Enrollment showed seven students fewer than anticipated on the high school level.

Total enrollment figures showed a loss of 148 students from last year's count.

"This still means that we have four schools going, but only 160 students are enrolled at Westbrook Elementary School," said McDowell. "We're going to look at the possibility of closing Westbrook, and we're going to work on it in the next month."

## Insurance FACTS

by Robert H. Bergstrom, CPCU

As modern American life becomes more complex and we become the proud owners of more objects, adequate insurance becomes a more complex and interesting issue. Whether you are a home owner, a car owner, possessor of other articles of value, or simply a human being to whom life or any other form of personal insurance could be important, insurance is a necessary and sometimes all-too-mysterious part of your life. In the weeks and months to come, we hope you will join us as we try to clear up some of the confusion surrounding insurance coverage; and at the same time, we may be able to give you some hints which can make insurance coverage and policies more relevant to you as an individual.

WELCOME TO BERGSTROM INSURANCE AGENCY, 29700 Orchard Lake Rd., Farmington Hills. As a complete insurance service facility, we are equipped to handle all your insurance needs. We invite commercial and industrial accounts as well as personal accounts. With 20 years of insurance experience, we know how to get the most for your insurance dollar. Stop by our office Mon.-Fri., 9-5, or call 626-4400 for an appointment or additional information.

HELPFUL HINT: Your local professional insurance agent will examine your policies on an annual basis at no charge and will advise you on updating your coverage.

## Increase Comfort - Cut Heating Costs

It's a fact that insulation adds to your comfort and saves you heating dollars. When a home is not properly insulated, heated air escapes through the roof and through the walls. Insulation acts as a barrier to stop this heat loss. It keeps your home warmer and reduces your fuel consumption (in many cases as much as one-third). It's easy to install insulation yourself, or have it pneumatically blown in.

Consumers Power Company neither sells nor installs insulation, but for a number of years has encouraged its customers to investigate the benefits of insulating their homes.
