Goose Hunting Banned Nov. 1

LANSING — More than 1,800 Canada geese there.

Notice of the early goose closure will be posted by the DNR at strategic points in and around the Saginaw County Goose Management Area which is bordered by Highway M-46 on the north, Highway M-52 on the west, by Fergus, Buiche, and Verne roads on the south, and Highway M-13 on the east.

The goose hunting restriction is designed to prevent an overharvest of honkers from the Tennessee Valley flock.
