may attend the sing-out and auditions.

The purpose of the association is to perpetuate the old American institution — the barber shop quartet. It promotes and encourages vocal harmony and good fellowship among lis members throughout the world.

The SPEBSQSA also encourages and promotes the education of its members and the public in music appreciation. This organization of barber shoppers has established and maintained music scholarships and adopted as its unified service project, the Institute of Logopedics in William of the problems of speech handicaps. It offers a total rehabilitation program which includes clinical work, teacher training and research.
